VOLUME 46, NUMBER 34

VOTE 'YES' ON 1 & 2 TUESDAY

ALL PROGRESSIVE GROUPS URGE VOTERS TO APPROVE BOTH ISSUES AT ELECTION

CIVIC LEADERS CLAIM YES VOTE IS RESPONSIBILITY OF INTELLIGENT CITIZENS

Merchants Endorse 1 And 2 As Best For Daly City

School authorities are in favor.
Parent-teachers groups are in favor.
Veterans organizations are in favor.
The Daly City-Colma Lions Club is in favor.
The Merchants Association is in favor.
The Fire Department is in favor.
The Daly City Boys Club is in favor.
The Colma Boys Club is in favor.
Hundreds of your friends and neighbors are in favor.

In favor, that is, of a "YES" vote on both Proposition Number 1 and Proposition Number 2 at the special municipal election next Tuesday.

Councilman Edward J. Mooney summed up popular sentiment this week when he said, "Never before has Daly City had the opportunity to do so much for so little. People who talk of juvenile delinquency will have the answer to the problem in their hands Tuesday, and a 'Yes' vote on both Propositions is the correct answer, and Tuesday is the time to do something about it."

A. J. Gaggero, Councilman and Ex-Mayor, stated, "Tuesday, Sept. 27, is my birthday, and I never wanted a birthday present which would please me more than to see both Propositions voted in by the people by a tremendous majority. We need a Community Center Recreation building and better parks and playgrounds; we owe it to our children; we owe it to ourselves. Daly City needs them."

Paul Green, Mayor, said, "Every organization in town should see that voters go to the polls Tuesday to vote Yes. We have no adequate meeting place for organizations; we need a center for our teen-agers. The improvements are squarely in the hands of the people, who have been clamoring for such improvements for years."

Fred Bertetta, Councilman, announced, "This program brings parks and playgrounds to every section of the city. Every citizen will benefit whether he be 2 years old or 82."

Peter D. Bordson, Commander of American Legion Post 410, said, "We owe this to our comrades who laid down their lives for their country. A living war memorial is the greatest respect we can pay to them."

Complete endorsement of Propositions 1 and 2 in Daly City was seen Monday night when the Daly City Merchants Association met at the City Hall and, after a discussion in which Mayor Paul Green explained the propositions, voted to give their support for a "Yes" vote on both issues.

By so doing, the Merchants joined practically every organization in the city in support of Propositions 1 and 2, which will provide urgently-needed civic improvements for the benefit of every person in the community.

The Merchants joined hundreds of individuals and organizations who have gone on record in requesting Daly City voters to vote YES for the urgently-needed improvements.

Proposition 1 calls for a Community Center building to be erected on city-owned property between Mission street and Hillside boulevard, north of Alp street. Besides an auditorium accommodating more than a thousand people, the plans call for three meeting halls, a teen-age center, kitchen facilities and recreation facilities for the use of all age groups.

Proposition 2 calls for construction of three new parks, one in Crocker tract, one in the central section east of Hillside boulevard and another in southern Daly City, south of School street and east of Junipero Serra boulevard. Also included are plans for complete development of Marchbanks Park and Lincoln Park, giving adequate park and playground facilities in every section of the city.

The improvements will cost the average family in Daly City less than a penny a day, or about the cost of one cigarette, it was pointed out at the meeting.

Parent-teachers groups, war veterans, civic clubs, fraternal groups and individual citizens are actively supporting a "Yes" vote on both Propositions 1 and 2, in an effort to make Daly City a completely-equipped community second to none on the peninsula.

City Council Reports Paving, Sewer Progress

Various street and sewer improvements were discussed Monday night at a special caucus meeting of the city council.

Chief among these was proposed a project to alleviate blocked and generally faulty sewers below Marchbanks park. The city will ask for bids Monday on a new 45-foot sunken tower to correct the sewage situation.

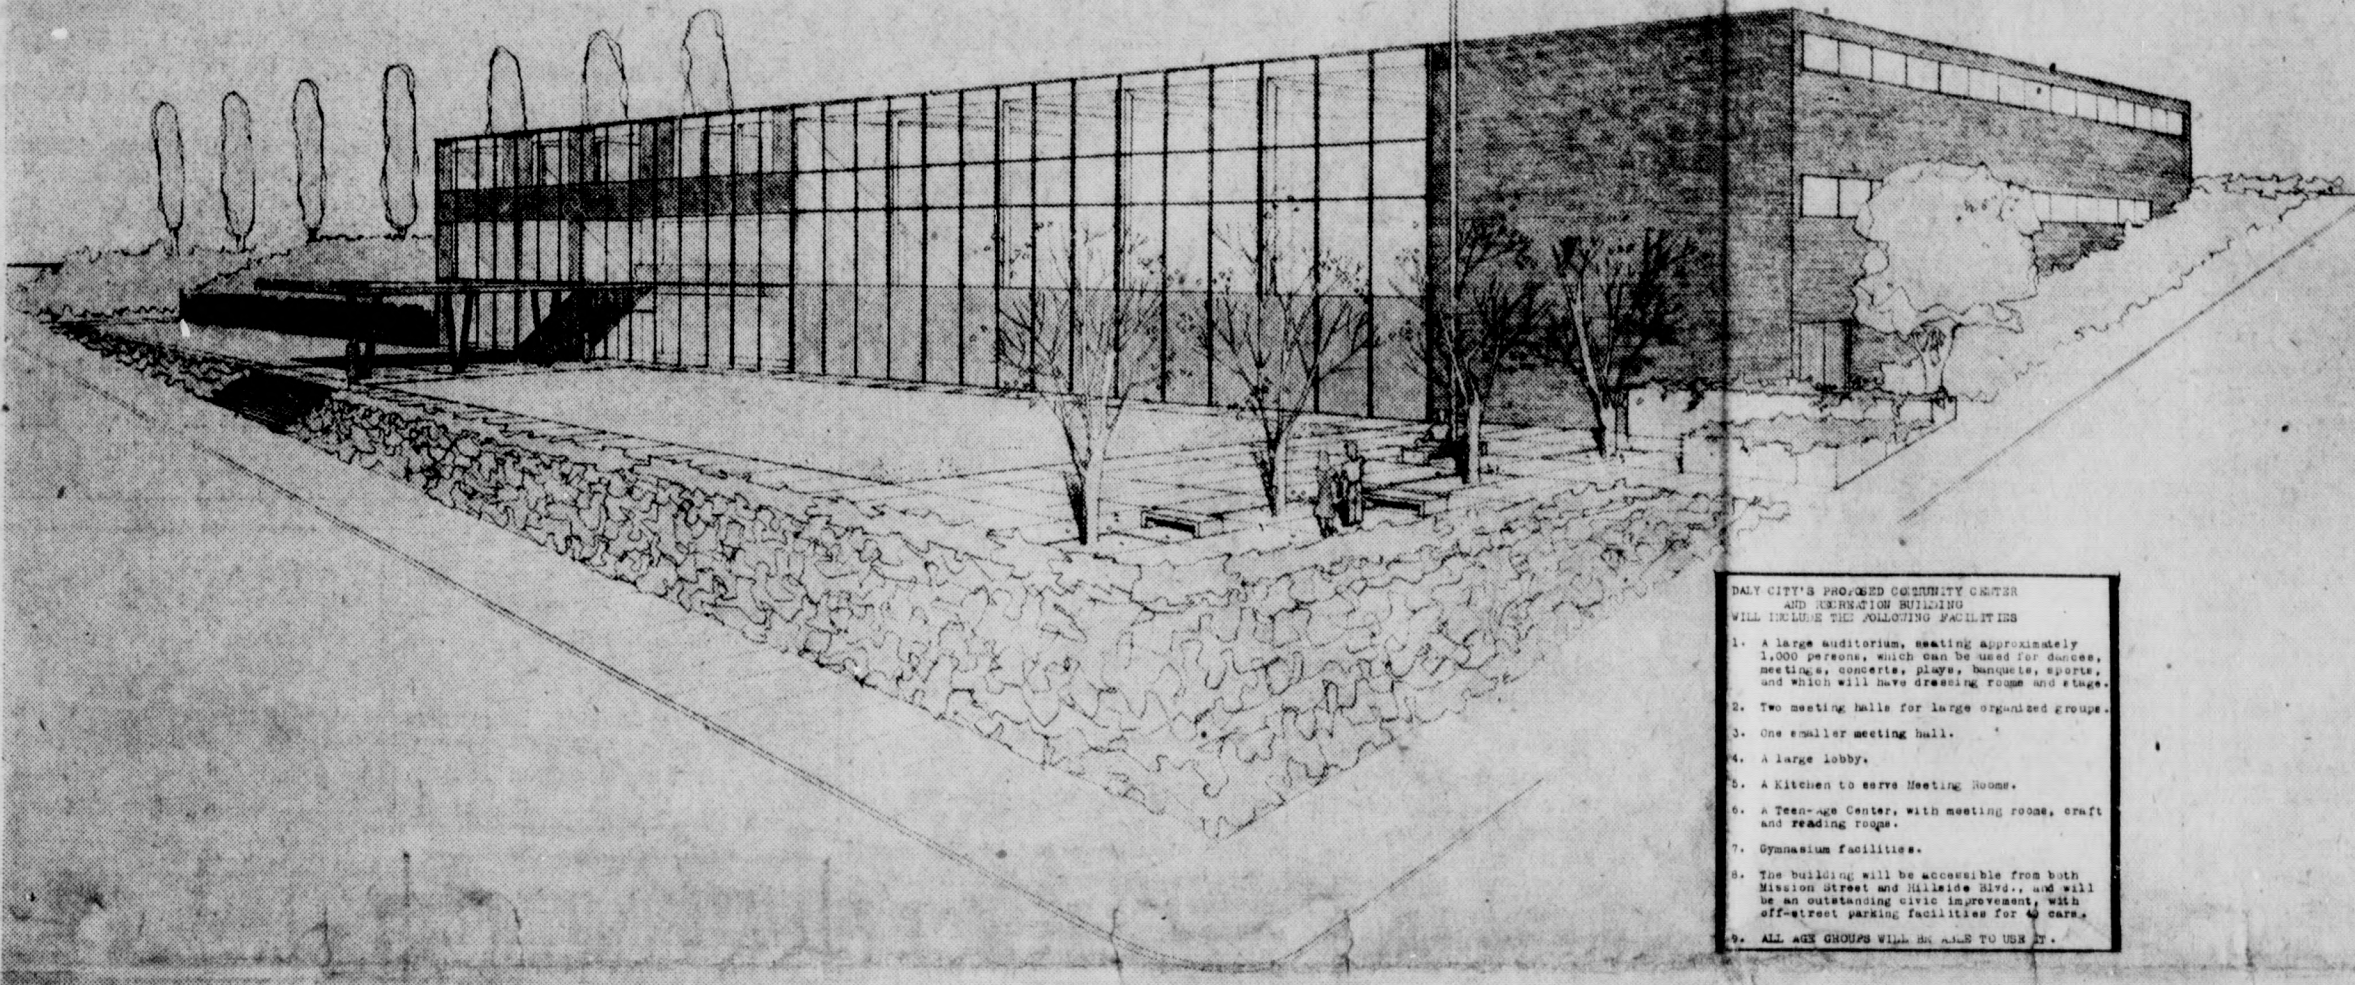

The tower, five feet in diameter, will go down behind the park near the present sewer system. This will help engineers to keep the sewers cleaned, and also will allow certain necessary rerouting of present cracked and faulty pipes.

The city engineer to go ahead with plans to complete paving of East Vista, Como and Gambetta streets between Mission and Hillside.

A progress report was heard on the paving of Hillside between Price and Bismark streets. The work, now being done by Douglas and Woodhouse, will be completed within the next two weeks, the council was told.

Paving and sewers in the Garden Valley subdivision are going ahead as planned and will be completed in the near future. This work is being done by the L. C. Smith Co.

Bids on paving of Alp street will be opened at the Monday night meeting of the council.

PROPOSED RECREATION CENTER
FOR DALY CITY
MARIO J. CIAMPI - ARCHITECT 333 KEARNY ST. SAN FRANCISCO

Above is architect's drawing on proposed Daly City Community Center Recreation building, Proposition 1 on Tuesday's ballot, which is planned for construction on city-owned property at Alp and Mission streets.

Containing facilities for auditorium, gymnasium, meeting rooms, lobby, kitchen and teen-age center, the building is designed for day and night service for all age groups.

Recommended by the Daly City Recreation Committee and endorsed by every progressive group in Daly City, the building will be dedicated as a memorial to Daly City men who gave their lives during the war.

It is expected that approval by voters will create further development on Mission street and make that thoroughfare one of the most important streets on the peninsula.

The structure is endorsed by school officials as a necessary adjunct to school and recreation training, to keep children and teen-agers healthfully occupied outside of school hours, as well as providing necessary facilities for adult groups with provisions for dances, meetings, concerts, plays, dinners and other worth-while civic functions.

Edgewood Terrace Group Will Take You To The Polls

Transportation to the polls September 27 will be furnished anyone who so desires it by the Edgewood Terrace Civic Association, Ted Fleming, president, said today.

Reiterating its complete endorsement of Propositions 1 and 2, the civic group decided at its Tuesday meeting to assist in getting Daly City citizens out to vote.

"We realize many people in favor of the propositions might not vote because they are unable to get to the polls," Fleming said. "Therefore our group has volunteered to supply the community with transportation for that all important day."

Those desiring transportation to the polls Tuesday are asked to contact either: Mrs. Theodore Fleming at Delaware 3-2230 or Mrs. W. M. Rudometkin at Juniper 4-4800.

These women, and other civic minded members of the Edgewood Terrace Civic Association, will be happy to give you a ride September 27. Cars will be available all day until the polls close in the evening.

"We must all get out on Tuesday and vote a big 'Yes' for both propositions," Fleming said. "This election will be, must be, a success."

\$125 In Fines

Paying fines totaling \$125 in police court Friday were two San Francisco men on charges of reckless driving and being drunk in and around an automobile, respectively.

William Leary, 346 Woodside avenue, was picked up September 9 by police. He pleaded guilty Friday to having been drunk in his automobile at the time of the ar-

Congressman "Jack" Anderson Visits Daly City

Hearing the complaints and praises of his constituents today is Daly City's representative in Congress, John Z. "Jack" Anderson (R).

Congressman Anderson was in Daly City and San Mateo county today, hoping to better represent the 8th district when he returns to Washington D. C.

While in Daly City Thursday morning, Anderson had long talks with city officials and civic leaders as to local problems. He promised to bring these problems, as related to the federal government, up for action as soon as possible. "The Congressman will be at his San Juan Bautista home, and visiting throughout the counties of San Benito, San Mateo, Santa Clara and Santa Cruz, until he returns to congress later this month, or early in October.

SM County Central Labor Council AFL Endorses Props. 1 & 2

Labor is behind both Proposition 1 and Proposition 2, Mayor Paul Green said today.

He said he received a letter from the Central Labor Council, AFL, San Mateo county, informing him that at a council meeting September 19, members had endorsed both propositions.

Carl E. Cohenour, secretary for the labor council, asked all members to support the propositions, and to vote "Yes" at the special city September 27 election.

rest at Mission and Market.

Judge W. J. Sweeney fined Leary \$100.

Guy Coon, 1319 Geneva avenue, was fined \$25 for reckless driving. Coon pleaded guilty to driving north on Mission September 7 at a speed greater than allowed and in a reckless manner.

Recreation Group Asks "Yes" From Voters Sept. 27

Full endorsement of both Proposition No. 1 and Proposition No. 2 was given this week by the Daly City Recreation Committee.

The committee endorsed the two propositions on the September 27 ballot at a regular Tuesday meeting. Asserting that "this may be the very last opportunity to acquire land for new parks," the committee urged all voters to give a big "Yes" vote September 27.

In an open letter to the public the committee stated:

"Recreation is a growing essential force in the molding of future wholesome citizens. Keep this well in mind when you vote. You are determining to a large extent whether the present and future children and youth of Daly City will have a fair chance to become well adjusted and wholesome citizens.

"We urgently need indoor, as well as outdoor developed recreation facilities. Both of these are offered in Propositions 1 and 2.

"Adults too will share in the enjoyment of expanded recreation facilities.

"In view of the foregoing, the Daly City Recreation Committee is relying on the Daly City people to have the foresight to vote 'Yes' on Propositions 1 and 2."

Meanwhile, other business included at the Tuesday meeting was the formal welcome of Erle Johnson to his new job as assistant to Rose.

Fees and charges for use of the new indoor recreation facilities were also discussed. These charges are only made to private groups who wish to use facilities for other than public use.

A request was read by the Girl Scouts for improvement of Peoria Scout house. In addition plans

Officials Adamant On Broadmoor Plea For No. 26 Bus

Despite petitions and vociferous protests by citizens of Broadmoor, it appeared today that the San Francisco Municipal Railway would go ahead with plans to cut the No. 26 bus line service.

During the past two weeks, a petition has been going around the village. It contains several hundred names, and asks the San Francisco public utilities commission to rescind its previous action.

However, as long as the bus line is losing money (about \$30,000) the commission is powerless to continue its operation.

The bus line is scheduled to be taken out of service early next month. The whole matter will come up before the Board of Supervisors for a decision soon, but it is expected the supervisors will go along with the commission.

Meanwhile, Mayor Green said he was studying a plan to set up an independent bus service for Broadmoor and Daly City.

Mayor Green did not elaborate on the aforesaid proposal.

\$500 Worth Of Lumber Taken From Sterling Building Project

Police are looking today for persons who have "borrowed" almost \$500 worth of lumber from a local building project over the past week.

The Sterling Building Co., 6798 Mission, notified officers that they had lost almost a truck load of lumber last week.

The lumber was taken in small quantities from the housing project on Thiers above Wyandotte.

were discussed for a Daly City Youngsters Halloween party.

City Improvement Before Monday Council Meeting

Items on the agenda for the Monday city council meeting read like one big proposed city improvement project.

Bids will be opened on paving Alp street. Following this, the council will ask for bids on a new 45-foot, five-foot-diameter tower, to be sunk behind Marchbanks park for sewage sanitation.

A petition for an assessment district between Thiers and Gambetta east of Wyandotte will be discussed. There is no doubt that will be necessary to do some rerouting of streets.

The present plans call for straight perpendicular and horizontal streets. The rough terrain makes such a plan unfeasible, the city engineering department believes.

It is expected the council will also approve the retirement of Larry Shaw, Morris Hercowitz and Peter Benassini from the fire department.

Woman Sleeps, Burglar Reaps

Either Maryon Hancock, 59 Wilson street, is a sound sleeper or an unidentified burglar who took two purses from a bedroom dresser is a soft stepper.

The Daly City woman told police that a thief removed two purses, containing small change, compact, papers, and a wallet, between 1:30 a.m. and 11 a.m. Sunday morning. He lifted them from a dressing table.

Entering the house through an open ground floor window, the thief went into the room, took the purses and went out the front door. Nothing else was taken, police said.

During the robbery, the Daly City woman slept soundly, the police report indicated.

Police Believe Arsonist Set Two Local Fires

Working with trash and lighter fluid, an unidentified arsonist or arsonists apparently set two fires in, or close to Daly City about 4 o'clock this morning.

Damage at both fires was slight. The blazes were at the Safeway store, Alemany and San Jose avenues, and only a few blocks away at the Assembly of God Church, 6276 Mission.

Police suspect that the blazes were set by one man. In the Safeway fire, the alleged arsonist probably used lighter fluid in boxes outside and behind the store to start the blaze.

An officer discovered the blaze and the San Francisco fire department put it out. Damage amounted to burning off about 60 square feet of siding behind the establishment.

A few minutes later, at 4:15 a.m., Joe Patton, Hilltop Cab Co. employe, was walking past the church when he noticed a blaze inside the doorway. He and Tom Mitchell fought the fire until police arrived and put it out.

The church fire apparently was started by placing a box of trash on the steps, inside the door and sprinkling it with what appeared to be lighter fluid, police said.

Outside of some damage to the steps and walls of the building, the church was not damaged.

Daly City police and San Francisco police today are working to determine: (1) whether the fires were set by an arsonist and (2) whether they were related.

During the robbery, the Daly City woman slept soundly, the police report indicated.

Judge William J. Sweeney stated, "Daly City is growing and we must see that our public facilities keep up with the times. Parks, playgrounds and community recreation will do more to prevent juvenile delinquency than all the jails in the country."

Edward J. Dennis, former Councilman and now an AFL labor leader, said, "A penny a day per family is all these improvements will cost. Every thoughtful citizen owes it to himself and his family to vote Yes on both Propositions."

Elmer Kennedy, Fire Chief, called for popular approval, saying, "The fire department can put out fires. But it is up to the people to prevent the fire of juvenile delinquency from spreading in Daly City. A 'Yes' vote will improve every home in Daly City; it will make Daly City a better place to live."

Mrs. Helen Cheatham, school board member, stated, "We are building schools for thousands of our children, but that is only half the job which must be done. Parks, playgrounds and a community center go hand in hand with proper schools. Both are necessary. One complements the other. I urge my friends to vote 'Yes' on both Propositions."

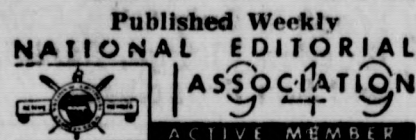

Evening Classes Offered At Jefferson High School For Those Interested

Evening classes for adults will be offered at Jefferson Union high school this year in courses for which sufficient enrollment is secured.

Stanford Hannah, district superintendent, said anyone interested in an evening class should write or phone the high school. The secretary will list names, addresses and courses requested.

When at least sixteen are listed for a class it will be started and the enrollees notified.

ICE ON THE DESERT?—The kind of "ice" that lovely desert-grown Jean Marie Pettit waves around at Las Vegas, Nev., won't melt from the sun. She is displaying locally-mined scintils during the annual Las Vegas Gem and Mineral Show. The museum specimen is one of the show's chief attractions.

LAST SALUTE

The "Boys in Blue" have dispersed for the last time. The six centenarians who met at Indianapolis for the 83rd encampment of the once-mighty Grand Army of the Republic agree that it's too hard for them to travel any more.

So, the G.A.R. as an organization has ceased to be after an existence that covered more than 80 years. Of the million or more men who fought for the Union in that great struggle of the 1860's hardly half a hundred are still alive. Yet, the Federal Government will continue to pay pensions in connection with the Civil War for perhaps another 20 or 30 years. These payments, of course, will be to relatives of veterans.

The last pension in connection with the War of 1812 ceased only two or three years ago.

DOCK STRIKE

It would be hard to believe that London dock workers wanted to aggravate the already critical British economic situation. But whatever their intent, Britain has suffered a terrific setback and the ultimate welfare of the dock workers and their families is inseparably bound up in the whole pattern. From all reports, the strike did not have the support of the British people or the Labor Government at any time.

The settlement of the tieup has started the wheels of commerce rolling once again but the effects of the 25 days lost may be felt for the next 25 months or longer. During that time the dock workers will have ample opportunity to think things over, but if they had done some thinking in the first place they could have saved the country and themselves needless added hardships.

Couple Injured In One Of Four Week-end Wrecks

Suffering severe cuts in a Sunday morning car accident were a San Francisco couple when their car collided with a telephone pole on Mission near Alp.

Injured were: Mr. and Mrs. William Barker, 26th street, San Francisco. Mrs. Barker, 36, sustained lacerations of both her left and right knee, forehead and nose. William Barker, 36, lost several teeth, suffered a fractured jaw, back injuries, and lacerations of the face.

The couple were rushed to Junipero Serra hospital at 3 a.m., treated, and released.

Police report Mrs. Barker, who was driving the car, fell asleep, and collided with the pole 50 feet north of Alp on Mission.

In three other week-end accidents no one was injured, but four cars were badly damaged.

Peoria street intersection at 1:24 a.m. Sunday.

Each of the collision severely damaged the two cars which are now in Lombard's garage.

Police said Ferrando was going east on Crocker and Neckritz was coming down Niantic. No citations were issued.

Just two hours later, a left front tire blew out on a car driven by Charles Bricker, 21, 854 Brunswick street, as he was going north on Hillside. Losing control of his vehicle, Bricker collided with a car parked at 519 Hillside, owned by F. D. Garrison of that address.

Bricker's car was badly damaged and had to be towed to a garage. Police did not indicate the amount of damage to Garrison's vehicle.

Sunday, at 3:30 p.m., a car driven by LeRoy Bennett, 46, 249 Sierra Point, Brisbane, collided with another auto driven by Bernice Purrington, 54, 1664 9th avenue, San Francisco.

Police said the wreck occurred at Lake Merced road and Cliffside drive when Bennett, who was coming west, assertedly went over the center yellow line.

Force of the head-on collision damaged the front and right side of Purrington's car and the right front fender of Bennett's auto.

"Record" Reminiscence

From the "Record" 10 Years Ago September 20, 1939

To measure more accurately the water consumed in Daly City, a master meter has been purchased by the Daly City Municipal water works for the pump house at Citrus avenue, A. J. Bodien water superintendent, said.

More than 1,000 pounds of grass seed will be sown immediately at Vista Grande park.

Mayor Paul G. Selmi, City Engineer Julius F. Castelan, and possibly some of the councilmen will represent Daly City at the League of California Municipalities convention in Oakland.

San Mateo county was experiencing the worst heat wave of the year this week with thermometers hovering around the 90 and 95 mark.

Highlights of a Crocker PTA meeting was presentation of two life memberships to Mrs. Edith Frazier and Mrs. Orville D. Pauw.

Miss Edith Lasswell will become the bride of Bernard J. Lycette, San Francisco, October 1.

Two touchdowns on the first four plays set the fast pace that continued throughout the Jefferson-Tamapais game on the Jefferson gridiron Friday and sealed the doom of the Indians by 21 to 6.

More than 700 tickets have already been sold for the Monster Whist party sponsored by the parish of Our Lady of Perpetual Help Church, according to Co-chairman Mrs. Margaret E. Steele.

Mrs. Maude Hanselman will be in the president's chair as the Jefferson High PTA holds its first meeting of the year today.

From the "Record" 20 Years Ago September 20, 1929

District Deputy Jerome Lalor presented the Daly City K. of C. with its charter. Following this, the supreme warden of the order, David Supple, told those present about the Supreme convention held at Milwaukee.

Unable to show dependable reserve strength, Jefferson's grid team was defeated by the Lick Tigers 14 to 0 last Friday on the Indians' football field.

Edward M. Stack of Burlingame has been appointed as county auditor, succeeding the late John J. Shields.

The Colma - Vista Grande Aerie No. 1848, F.O.E. drum corps team sent Brothers Bolger, Collins and Heim to the state meeting of outdoor music held at Oakland, September 14.

Ken Maynard and his horse Tarzan will hold the feature spot at the Daly City Theatre tomorrow.

Baseball, long considered the national game, is rapidly losing its grip on the sports-loving public as golf, tennis, swimming and other sports in which the average person can participate surge to the fore in popularity.

In the classified ads: For Rent—Furnished house of four rooms, \$35 per month.

The dance, as it is practiced in the ballroom, is to be a thing of beauty next year. The jiggling, and the hopping, and the trick huddles and jogs are a thing of the past.

State Laws Of Interest To Vets

Most of the new state laws affecting veterans are limited in scope, but several of them are of major importance to a small group of ex-GIs.

Measures of interest, according to Floyd D. Granger, veterans service officer, include:

1. A new bond issue authorization of \$100,000,000 for keeping the farm and home purchase plan in operation. This is subject to approval by the people at the general election in November, 1950.

2. Members of the armed forces who are still in service may now qualify for the farm and home purchase plan if they meet the California residence requirements. Previously only those who had been discharged after wartime service were eligible.

3. Free license plates for automobiles given to paraplegic veterans by the federal government.

4. Reemployment rights of state or local government employees are assured for those joining the armed forces while the Selective Service Act of 1948 is in effect.

5. More liberal credit may be given to state civil service examinations for appropriate experience gained in military service.

6. The amount payable by the county toward the burial expenses of an indigent deceased veteran or widow of a veteran is increased to \$150 (formerly \$125).

Newspaper production costs have increased 95 per cent in five years, according to the Britannica Book of the Year.

The roar of a Brazilian howling monkey can be heard for miles, according to the Encyclopaedia Britannica.

Grace Augustien, Former "Record" Reporter Dead

Former "Daly City Record" correspondent, and resident of Daly City for the past 40 years, Mrs. Grace L. Augustien, 61, died at Junipero Serra hospital last Friday.

Mrs. Augustien, 501 Evergreen avenue, suffered a stroke September 13, and had been in the hospital three days before her death.

The Daly City long-time resident was well known in this area for her work on "The Record." During the late 1930's she wrote many articles for this newspaper.

Surviving Mrs. Augustien are her widower, George R. Augustien; three children, Mrs. Myrtle Kell, Mrs. Jessie Cooke and Charles Augustien; four grandchildren, Grace and George Domenici, Daniel Curtin, Carol Augustien; three sisters, Miles, Myrtle, Ruby and Louise Saylor.

Funeral services were held Monday morning from the W. C. Lasswell chapel. Inurnment took place at Olivet Memorial cemetery.

Music Program At Oct. 4 Meeting Gen. Pershing PTA

Talented pupils in the General Pershing school may present a musical program for the first meeting of the PTA October 4.

The "may" depends on whether or not Mrs. A. V. Lauffenburger, music chairman, is able to arrange the program with Principal Miss Winifred McGrath and teachers.

It is hoped, through the program, to encourage more mothers to attend the meetings and to give musical pupils the advantage of performing before an audience.

The 1949-50 programs have been printed, and will be passed out to members at the October meeting. To get acquainted with new teachers, renew acquaintances, meet officers and chairmen of the PTA, and to enjoy the program, are but a few of the reasons that all mothers and members will enjoy the meeting.

Mrs. R. F. Traxler and Mrs. Raymond Gross will be in charge of refreshments. Those members interested in artistic table decorations will be particularly pleased, if such things can be judged by past performances, with the tea hostesses.

Further information on the forthcoming first meeting may be obtained by calling Mrs. E. K. Whinnin, JU 4-6988.

General Pershing PTA will be well represented at the meeting of the 17th district CCPT in Burlingame. Mrs. George Freeland, will attend the meeting with Mesdames Robert Poole, John Eason, Lyle Ingersoll, A. W. Lauffenburger.

Editor of Daly City Record

My Dear Sir:

Four years ago the voters of Daly City voted to build a new grammar school.

Because heads of Daly City government said it was unsafe for the children the citizens got out and worked hard to put those bonds over. And it passed in first class shape.

What have we got to show for that new school?

This is a fine thing I must say. What kind of a way is this. Children going to school for a half day. Are they going to be able to go out in the world and make a living? What has become of that bond money?

And who got it; and how was it spent?

Here is another chestnut. What became of the money for that school property that was sold on Mission street to go and help build that new school house?

It is up to the citizens to demand a show down to have that new school built now, not 20 years from now. They have had time to build a first class school in say three years and why isn't it built.

Yours very truly,
Raymond H. DeNike
226 Miriam street, Daly City.

Two Members Of Smollen Family To Wed October 1

When the F. J. Smollen family, 334 Hillside boulevard, does anything it's in a big way . . . even marriages.

On October 1 two members of the family will be married one hour apart at Community Presbyterian church, 87th street, west of Junipero Serra boulevard, Broadmoor.

At 1 o'clock Francis Smollen will take as his bride Ruth Rieck, daughter of Mr. and Mrs. Ralph Rieck, 376 Bellevue.

At 2 o'clock Marie Smollen will exchange vows with John D. MacFarland of Eureka, California.

But to make it complete, The Rev. John Glaspey, who will perform the ceremonies, baptised Marie not too many years ago when her family was living in Juneau, Alaska.

All but one of the grooms, John MacFarland, attended Jefferson high school. Francis Smollen is now employed by Pacific Automotive while his bride-to-be is working at the Daly City Theatre.

MacFarland is employed in construction work, while his future wife is not working at the present time.

The Indian practice of scalping was not ordinarily fatal, according to the Encyclopaedia Britannica.

OLPH Carnival To Feature Many Booths, Prizes

Stuffed toys and figures will be sold in still another big booth at Our Lady of Perpetual Help Church "Circus Carnival" October 21 to 23.

In charge of the new booth will be Mesdames Catherine Ricci and Janet Fellman. Many other booths, where everything from cakes to candy will be sold, also will play a prominent part in the big carnival.

All money from the affair will be used by OLPH Church to further its activities in Daly City and surrounding areas.

One of the biggest prizes of the show will be a new 1949 Pontiac sedan. This prize was arranged for the carnival by the George Daniels Co.

A television set and Bendix home laundry will also be given away at the carnival. These were donated by Mr. and Mrs. Tony Parmisano.

Additional prizes may be seen in the window of Anderson Refrigeration Co., 7046 Mission street.

Officials Discuss Rerouting Garden Gateway Traffic

What may be a happy compromise between the Garden Village Owners association and the Stoneson Co. on Garden Gateway was reached Monday night.

The city council heard an alternative to both programs for rerouting traffic off and on Garden Gateway from Junipero Serra boulevard. Neither party has reached a definite agreement, but Mayor Paul Green thinks it will be forthcoming soon.

Originally Stoneson proposed to reroute the road so as to escape the traffic hazard of north-bound traffic going into south-moving cars on the boulevard.

The Garden Gateway organization did not want to change the road, but agreed to reroute the traffic.

The plan proposed by the council is as follows: The road would be used as before by all traffic coming south off Junipero Serra boulevard, and traffic going south off Garden Gateway.

But cars planning to go north off Garden Gateway would be rerouted about one block above Junipero Serra so as to go in at the stop lights on 87th. In other words, the Garden Gateway would be closed to north-bound motorists out of Garden Village.

Second Music Concert Coming To deLeon's Store

The second in a series of monthly music concerts will be presented free of charge Wednesday, September 28, at deLeon's Music store, 6127 Mission street.

As the first concert, this one will be put on primarily by local talent. Many of the performers will be students from Jefferson high school.

Although this program will be on the classical side, there will be plenty of music to satisfy the tastes of everyone.

In the ballad department we have Daly City's master of the ballad, Bob Moore. Ed Church will play the accordion, as well as take part in a small orchestra made up of Gordon deLeon, Richard Gillette and Jack Merce.

Other performers will include: Charlene Holliday, soprano; Joseph deLeon, violin and vocal; Gordon deLeon, piano. In addition there will be many other instrumental and vocal numbers.

Everyone is invited to attend the concert. Remember that day, September 28, 8 o'clock, deLeon's Music store, 6127 Mission street.

S. F. Woman Loses \$122 In Cash While Shopping In Daly City

Loss of \$122 in cash was reported today by Mrs. Paul Mahan, 272 Lobos street, San Francisco.

The woman lost the money Tuesday afternoon while shopping in Daly City. She said she had the bills stuffed in a coat pocket, and they must have fallen out when she made one of several purchases. Mrs. Mahan believes she lost the money somewhere between, or in the Sproule-Reitz store and the Daly City post office.

Anyone finding the money is asked to return it to Mrs. Mahan. A reward is offered. Mrs. Mahan says she needs the money badly as it was to be used to pay bills.

DALY CITY MUSTANGS TRAMPLE OAKLAND RAMS 12-0; PLAY ST. MARYS HERE SUNDAY

By Allen Pettigrew
With three wins behind them, the Daly City Mustangs take to the home field this Sunday against the Modesto A.C., one of the league's strongest new clubs.

Game time is 2 p.m. at Jefferson High school field, and those in the know predict this will be one of the toughest, best games of the season.

Yet, it will be hard to beat last Sunday's game when the Mustangs marked up their third victory, upsetting the highly regarded Oakland Rams 12 to 0.

This was the second successful road game of the season. Two weeks before they traveled to Oakland to return with a 7-0 victory over the St. Mary A.C.

On the other hand, Sunday was the Rams' second loss in three contests. This was a complete upset, as the Rams were an 18-point favorite in pre-game figures.

The Mustangs took to the field assured that they could win this with heads up football. The whistle sounded and the contest was on. The Rams received and were met with the most vicious defensive unit they had ever encountered. The first half ended with the score board reading 0-0.

After half time rest the Mustangs appeared on the field with the fight and determination it takes to start the ball rolling. One of the standouts on pass defense was big Mustang fullback Roy Chambers. It was the brilliant pass interception of Chambers that broke the scoreless deadlock in the middle of the third quarter, when he ran through the entire Rams team to put the Mustangs in the lead.

The rest of the period the Mustangs defended their lead. Although the Rams had a number of scoring opportunities the Mustang line was determined to hold.

Midway in the fourth quarter on the Rams 45 yard line the Mustangs were rolling once more to the goal line. Through the brilliant signal calling of Marlowe and Poyer the Mustangs put two first downs together and had a first down on the Ram 20 yard line. A pitchout to Ross was good for two. Then Tudoni through the middle for four. Third down, 4 to go. Marlowe faked a handoff, faded back, let go with a beautiful pass to Ross, who made a spectacular catch in the end zone. Score, Mustangs 12, Rams 0.

From there on till the final gun the Mustangs played a defensive game. In the locker rooms after the game the Rams' coach was heard talking to Mustang Coaches Ferrando and Dilly. He admitted that the D. C. Mustangs line was the toughest he had seen in his three years of coaching the Rams.

Hillcrest Circle UAOD To Hold Whist Game September 26

Hillcrest Circle No. 143, UAOD, will hold their monthly whist Monday evening, September 26.

The whist party will be held in Masonic Hall beginning at 8:30 p.m.

Madeline Fellows will assist Madame Lombard and Grace Hill in the evening's entertainment.

Water Skiing To Be Feature Of Shark Derby

Aquaplane boat speeding, water skiers, these are some of the spectacular stunts to be staged by 31 sportsmen at the third annual Shark Derby.

This is the only shark fishing competition in the United States, to be held Sunday, October 2, Coyote Point, San Mateo.

Bud Krohn, program chairman, said this will be the largest group exhibition ever seen in the west. It will highlight a day-long schedule of big-time water carnival features of the Shark Derby.

For the first time many water skiers will combine their acts. The entire exhibition will start at noon and conclude at 1:30 p.m. Admission will be free.

The shark fishing competition will start at 8 a.m. Anyone may enter. The registration fees are nominal, 50 cents for adults and 25 cents for youngsters.

Bait, fishing rods, and licenses will be available at Coyote Point. Entrants are required to provide their own boats. Fish may be caught anywhere in San Francisco Bay, from boats, docks or from the shore.

The fishing contest will end at 3 p.m. In colorful ceremonies, King Neptune, accompanied by his six lovely daughters will rise out of the Bay, awarding winners more than \$1,000 in prizes.

Those wishing further information regarding the Shark Derby may get it by writing to Shark Derby, Box 382, San Mateo.

The Division of Fish and Game reports a total of 159,300 rainbow and 82,600 brook trout were planted from the Lake Almanor hatchery during the month of July.

HELP THE "RECORD" SPORTS PAGE CROSS THE NEWS GOAL LINE

With the beginning of football season, the "Record" hopes to bring you all the latest on Daly City teams. How about passing along any news of the football season to the "Record." In fact, any items concerning sports from table tennis to bowling are welcome, and will be published. Send these items to the "Daly City Record," 3317 San Jose avenue, Daly City 25, or call JUNiper 5-8215.

Merchants, Syl's Service Tie By 4 To 4 Sunday

It was all tied up 4 to 4 Sunday when the Junipero Serra Merchants tangled with Syl's Service.

With pitcher Fred Lucia for the Merchants allowing seven runs, and Syl's pitcher, Thollander, allowing six runs, it was hard to say which team can be rated the best today.

Neil Pezzola, Merchants' first baseman, and Harry Krohn, shortstop, did some nice hitting. Pezzola got two runs, one of which he scored on, while Krohn reached first base twice out of three times at bat.

Playing third base for the Merchants Sunday was player who hasn't been on the field lately. He is Dave Johnson of the Daly City police force.

Managers Ed White and Harry Krohn are convinced they have an A-1 team, and expect this season to get into the AA winter league. Remember, two years ago the Merchants successfully hit the very top rung in this league.

This Sunday the Merchants will play 12-Mile House A.C. at South San Francisco at 11 o'clock.

No limit other species.

PIGEONS — Ends September 30. Second season December 17 to December 31. Bag and possession limit: 10 per day. Shooting hours: from one-half hour before sunrise to sunset.

DEER — Ends September 15 in central and south coastal areas. Open September 16 to October 15 in balance of state, including San Diego county. Sierra and north coastal areas. Bag limits: Two bucks in coastal areas, one buck in balance of state, including San Diego county.

DOVES — Ends September 30. Bag and possession limit: 10 per day. Shooting hours: Noon to sunset on September 1; one-half hour before sunrise to sunset for balance of season.

COCKLES — Ends March 31 in Marin county. No closed season elsewhere. Bag limit: 50. Size limit: None less than one and one-half inches in diameter.

CLAMS — Ends April 30 in Humboldt and Monterey bay areas. No closed season elsewhere. Bag limits: 30 razor, 10 big neck, 10 Pismo; 15 Washington in Districts 2 and 10; 15 Washington and big neck combined, but not more than 10 big neck in Marin county. No limit on jack knife clams.

RABBITS — Ends December 31

Jeff High "Guff"

By Bettie Duffy

Jeff students are back in the old familiar routine of arising early and greeting the teachers in their first class with a big yawn.

Already school activities are in full swing. Tonight, September 23, at 8:30 in the auditorium the "Welcome Frosh" dance will be held. Freshman and new students will be admitted free, while the old students and outsiders must pay fifty cents admission to dance to the liting music of Bert Whiting and his orchestra.

Three new teachers were welcomed at Jeff this semester—Miss Dobbitt, the new dean of girls, Miss Moldrup, algebra, trigonometry and general mathematics teacher, and Miss Erickson, the new girls' gym teacher.

Mr. Matthews, one of the boys' gym teachers, returned after a leave of absence which he spent in the Navy.

Jefferson's halls are overflowing with 860 freshmen, sophomores, juniors, and high and mighty seniors. The exact number of students in each class had not been tallied at this writing, but from the looks of last Monday's assembly in the auditorium, the freshmen seem again to be the largest class.

Student body cards are now on sale. The cards, which only cost a dollar, entitle the students to special privileges such as reduced prices to the games, dances, and special school entertainment. Card holders also receive the well-enjoyed school paper, the "Totem Pole." This valuable card also cuts prices at the games at the Cuts Palace, the 49'ers, the hot rod and midget auto races at Bayshore and also roller skating in San Mateo.

The girls' gym program is going to be quite active this fall. The aquacade, under the supervision of Miss Parent and Miss Erickson, is the main event coming up. Beginning last Monday, all the girls who are to be in this event have been staying four afternoons a week after school for practice. Mrs. Parkhurst will also contribute with colorful modern dancing routines.

The gym classes will be divided this fall with Miss Erickson and Miss Parent teaching swimming classes three days a week and soccer the other two days Mrs. Parkhurst will continue her modern dance classes three days a week with two days of tennis and archery.

82,700 Pheasants Raised By State For Hunters

California pheasant hunters may have more state-raised game birds to shoot at during the 1949 season than ever before, reveals the Division of Fish and Game.

By the end of August, game farm crews, assisted by local sportsmen's groups in some areas, had liberated 38,810 upland game birds throughout the state.

Carl Van Ornum, Division game farm chief, reports that 40 per cent of the male pheasants will be released on areas where landowners have agreed to permit public hunting. Balance of the expected annual output will be liberated in suitable habitat in 48 counties.

As in the past, operators of private sources. Based on spring and summer game farm production, this year's liberation goal has been set at 82,700 birds. Approximately 95 per cent will be Chinese pheasants. Last year's all-time record release of game farm birds totaled 75,787.

Division of Fish and Game crews from the Elk Grove hatchery rescued a total of 94,838 spiny-rayed fish from drying streams during the month of July.

in southern California districts 4, 4½, 4¾, 19, 20, and 22. November 18 to December 31 elsewhere for jack rabbits. Bag limit: 8 brush and cottontail. No limit jack rabbits.

LOBSTERS — October 1 to March 15. No bag limit. Size limit: none under 10½ inches.

BEARS — October 1 to December 31. Bag limit: 2 per season. Shooting hours: one-half hour before sunrise to one-half hour after sunset.

Charles-Valentino Fight Tickets Up For Sale Friday

All except gallery tickets for the heavyweight championship fight between Ezzard Charles and challenger Pat Valentino go on sale at Bay Meadows Friday.

A special ticket booth in the grandstand area will accommodate those wishing to purchase tickets September 23 from 2 to 6 p.m., William P. Kyne, general manager

of Bay Meadows, announced. There will be no admission charge to enter the track in order to buy tickets, Kyne said. First public sale of tickets in San Francisco will be at National Hall, 16th and Mission streets, starting Monday, September 26. Gallery seats will not be sold until next month, Kyne announced.

"The fish and game warden is your friend, if you tell him the truth. He has gained considerable knowledge of human nature in policing the streams and lakes. He can spot a liar as soon as one opens his mouth."—Kirt MacBride, Delta Herald.

Sunday Games

10:30 a.m. — Daly City Boys Club vs. Colma Boys Junior Club, Marchbanks Park.
11:30 a.m. — Junipero Serra Merchants vs. 12-Mile House A.C., South San Francisco.
12:30 p.m. — Daly City Billiards vs. Galli Furniture Co., Marchbanks Park.
2 p.m. — Daly City Mustangs vs. St. Mary's A.C., Jefferson High school field.
2:30 p.m. — Colma Boys Senior Club vs. Smiling Jack, Marchbanks Park.

Bags of money! Stacks of silver, nickel and copper coins! Neatly-bound packages of crisp new currency! This is a common sight in the vaults of banks and the financial institutions of the world.

Money plays a big part in life. It represents human labor and material production and is the medium through which man exchanges his toil for food and other necessities and comforts of life.

It is important to know how to handle money wisely and well. Some people squander it to their sorrow; others worship it as their supreme aim in life. These attitudes are both unsound and dangerous.

Worship should be reserved for God alone, and right living should be the supreme aim of one's life. Money is a useful instrument in the material world, but it is secondary to man's spiritual welfare.

The Bible teaches us to be diligent and thrifty; it also teaches us to love God and cherish our religious faith above all the world's wealth and glory.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday	 Luke 22:1-6
Monday	 I Timothy 6:6-11
Tuesday	 Acts 3:1-6
Wednesday	 Mark 12:41-44
Thursday	 Isaiah 55:1-3
Friday	 Matthew 25:14-30
Saturday	 Psalms 15:1-5

Can you think of anything else that Does so much .. costs so little?

Vacuuming six room-sized rugs for a penny's worth of electricity... that's one example of how P. G. and E. service gives you your biggest household bargain in these days of high-cost living. Matter of fact, it's the best gas and electric buy in the nation.

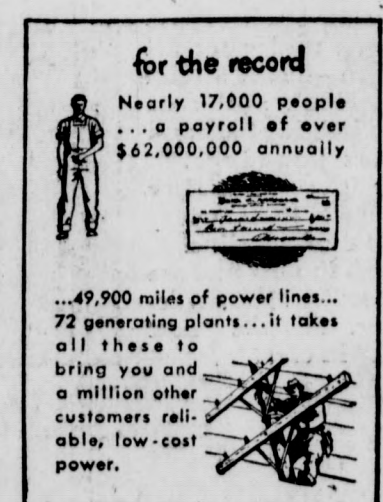

Bay region people, for instance, pay less for service than those in any other of the country's 25 largest cities. And P.G. and E. farm rates are much lower than the national average for all utilities—including tax-free cooperatives and government-owned systems.

Remember back when it took the best part of a day to wash-board the clothes? Now a penny will buy the electricity to scrub two tubs of laundry. All you do to put it to work is touch a switch.

For fun as well as work, P.G. and E. service is a budget-stretcher. You can hear five of your favorite radio programs for a penny. Can you think of anything else that does so much for so little cost?

for the record
Nearly 17,000 people
... a payroll of over
\$62,000,000 annually
... 49,900 miles of power lines...
72 generating plants... it takes
all these to
bring you and
a million other
customers reli-
able, low-cost
power.

P. G. and E. SERVICE — does so much... costs so little
P.G. and E.
PACIFIC GAS AND ELECTRIC COMPANY

Doelger Issued Bldg. Permits For 44 Homes

Permits totaling \$414,463 for 44 homes in the Westlake area were issued by the city this week to Henry Doelger.

Another permit for \$26,000 was issued to G. Belli and Sons for construction of a market at Price and Mission. Work on this concrete building has already started.

In addition, Kings Market, destroyed last May by fire, may soon go up again. Officials of the market submitted preliminary plans for the market to Building Inspector George Hopman.

Other permits issued last week went to: R. F. Gobar, 101 Wellington avenue, to alter office, \$200; M. Catalano, 114 Los Olivos, alter building, \$3,000; Mr. and Mrs. L. Chione, 187 Hillcrest drive, build home, \$8,000; William Mandell, 146 Bepier street, build name, \$7,300; and H. H. Sman, 6843 Mission street, alter office, \$200.

LEGAL ADVERTISING

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN That the Board of Trustees of the Jefferson Elementary School District of San Mateo County, State of California, will receive bids for the demolition of an existing building and the grading and repaving of parts of the yard at 344 Santa Barbara Avenue, Daly City, County of San Mateo, State of California, including all necessary labor, materials, services, transportation, etc., each bid or proposal to be in accordance with plans, drawings, specifications and other contract documents now on file in the Office of the Superintendent of Schools for said School District at the office in the existing Administration Building, 344 Santa Barbara Ave., Daly City, San Mateo County, California, where they can be examined, and with Mario Ciampi, Architect, 333 Kearney St., San Francisco, California, and copies of same may be obtained from said Architect at 333 Kearney St., City and County of San Francisco, State of California, upon deposit of Five Dollars (\$5.00) per set, which deposit will be refunded upon return of such copies in good condition within five days after the bids have been opened.

Bidders are hereby further notified that pursuant to the Statutes of State of California, or local laws thereto applicable, it shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the general prevailing hourly wage rate and the rate per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract awarded to the successful bidder, and all bidders are hereby further notified that they must ascertain from the proper authorities the said wage rates before submitting their bids. Bidders shall set forth in the bid the name and location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor or subcontractor in the construction of the work or improvement and the portion of the work which will be done by each subcontractor.

Each bid shall be made out on a form to be obtained at the office of said Superintendent or at the office of said Architect, at the addresses hereinabove set forth; shall be accompanied by a certified cashier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District, shall be sealed and filed with the said Superintendent of Schools at his office on or before Thursday, September 22, 1949 at 8 o'clock p.m. of said day, and will be opened and publicly read aloud on September 22, 1949 at or about 8 o'clock p.m. of that day in the office of said Superintendent.

The Above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the said Board of Trustees.

Successful bidders on labor and material contract work will be required to furnish, in the amount of fifty per cent (50%) of the contract price a Labor and Material Bond, and a Faithful Performance Bond in the amount of one Hundred per cent (100%) of the contract price; said bonds to be secured from a surety company satisfactory to the Board of Trustees.

The Board of Trustees reserves the right to reject any or all bids or to waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the School District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at Daly City, California, the 25th day of August, 1949.

130 Girl Scouts Meet, Marchbanks Park, For Roundup

Close to 130 Girl Scouts and Brownies met at Marchbanks Park last Saturday for their annual roundup.

The girls, and 20 leaders, were from the Daly City-Colma Bay-shore troops. Program chairman for the day was Mrs. Mary Larson.

Playing games in the early part of the morning, the Brownies were divided into groups of elms, oaks, and pines. They were under the direction of Mrs. Downie Goldaday.

Principal game played by the Brownies consisted of a candy relay wherein the girls had to remove wrappers from candy with gloves on their hands.

The Intermediate Scouts also played games under the supervision of Mrs. Larson. Divided into groups of bluebirds, redbirds and blackbirds, the young ladies took part in relays and an "egg-in-the-nest" game.

At noon milk was served to all the girls and the leaders were given coffee by Mrs. Alice Detweiler.

Following the luncheon the girls sang songs, talked of camp chores and gave skits. Girls who attended Camp Wasibo and the Brownies who were at Camp Matrup during the summer put on the skits.

A visitor to the afternoon festivities was Mrs. Helen Gould, court official.

June Prescott, senior aid girl.

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Jefferson Elementary School District of San Mateo County, State of California, will receive bids for the use of Atlas furnace now installed in the Woodrow Wilson Elementary School Building, 344 Santa Barbara Avenue, Daly City, County of San Mateo, California.

This piece of equipment is no longer needed for school purposes and it is to the best interest of the District that it be sold.

The successful bidder will be responsible for removing the equipment from the building within 5 days after acceptance of the bid.

Equipment may be seen at the above address.

Each bid shall be made out on a form to be obtained at the office of said Superintendent at the address hereinabove set forth; shall be accompanied by a certified cashier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District, shall be sealed and filed with the said Superintendent of Schools at his office on or before Thursday, September 22, 1949 at 8 o'clock p.m. of said day, and will be opened and publicly read aloud on Thursday, September 22, 1949 at or about 8 o'clock p.m. of that day in the office of said Superintendent.

The Board of Trustees reserves the right to reject any or all bids or to waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the School District.

Dated at Daly City, California, the 25th day of August, 1949.

Requiem High Mass Friday For Mrs. Annie King

Requiem high mass will be celebrated tomorrow, September 23, at Our Lady of Perpetual Help Church at 9:30 a.m. for Mrs. Annie E. King, 74, 207 Los Banos avenue.

Following a long illness the Daly City woman died at St. Francis hospital September 20. She had been a resident in this community for the past several years.

Surviving the widow is a daughter, Mrs. Ruth Linhares, with whom Mrs. King made her home. Other children surviving the deceased are: Sister Mary Ann Cor-ea, BVM; Miss Annie King, and Steven. There is one grandchild, Audrey King.

Preceding the mass, rosary will be recited for Mrs. King at 8 o'clock tonight, and funeral services will be held at the W. C. Lasswell chapel at 9 o'clock tomorrow morning.

Interment will take place at Holy Cross cemetery.

S.M. JC Plans Movie Trips

Movie trips through the country of the world will begin Monday, September 26, at San Mateo Junior College.

The first evening illustrated lecture will be held at 7:30 p.m. in the Baldwin avenue campus auditorium. Frank Kugelberg, noted world traveler and photographer, will show his latest film "Amigo Mexico."

The public is invited to these programs without charge. Some of the later programs include movie trips through India, Turkey, China, Japan, great national parks, and other interesting areas.

Meanwhile, the JC fall semester is well organized, and the adult center is being rushed by men and women who wish to take advantage of numerous courses. Enrollment in both the day and evening sections is continuing.

Football practice called by coaches Murtius McDadden, Lee Bissett and Herb Hudson saw 74 veterans and newcomers reporting for suits. Early practice sessions were given up to getting acquainted with the men and working out simple formations. The first game is with the Cal Frösh at Berkeley October 1.

Veterans Inn Burglars Get Estimated \$90

Snapping a front door padlock on the Veterans Inn, 6025 Mission, unidentified burglars Monday morning entered the tavern and made off with close to \$90.

Largest single sum of money taken was from the hot pan on the steam table. The thugs took \$59 in nickels, but were kind enough to leave \$2 for telephone calls.

Another \$16 was removed from the cash register, but here the lads overlooked a valuable woman's watch hidden in the last compartment of the register drawer.

An unestimated amount in change was taken from a cigarette machine, pinball machine and juke box. All three were pried open.

The burglary was discovered at 4:15 a.m. by janitor William Hubka. Police estimate the thieves made the haul sometime between 1 a.m. and 4:15 a.m.

This burglary followed by three days an unsuccessful attempt to break into Lucca Market, 7370 Mission.

also assisted during the day by successfully running a first aid station.

Special thanks to Elman Rose and Glenn Smith were tendered by Mrs. Larson.

LEGAL ADVERTISING

Notice of Intention To Engage in the Sale Of Alcoholic Beverages

September 14, 1949 TO WHOM IT MAY CONCERN: Notice is hereby given that fifteen days after the above date, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

6783 Mission Street, Daly City, San Mateo County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for the premises as follows:

ON SALE—BEER

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law.

The premises are not now licensed for the sale of alcoholic beverages.

LIONS CLUB BAZAAR NETS \$250 SALES

The Daly City Lions Club has \$250 more in the treasury today after their big bazaar at the Sprouse-Reitz store last Saturday.

All of the money from the bazaar will be used to help needy children.

Generally the bazaar was hailed a success, and hundreds of people enjoyed some four hours of entertainment covering everything from blonds to bathtubs.

In an open letter to the people of Daly City and Colma, Elio A. Fontana, club president, expresses his thanks to those who took part in the bazaar:

"The Lions Club has planned a full year of youth activities, a program planned for the youth welfare throughout the community, and endeavoring always to help the less fortunate youngsters.

"As in the past, these plans do take a great deal of money.

"Our Lions Club bazaar was decided upon as a source of increasing our treasury for these so important plans.

"The response by merchants and businessmen in donations offered through their own volition, was overwhelming. The people of the community gave full support and approval; proved their appreciation of the Lions past activities and those planned for the future, by supporting so strongly this bazaar.

"The Lions thank you, not for themselves, but for that child, boy and girl who will benefit because of your interest in your Lions Club, your city, and for the children about you."

Signed: ELIO A. FONTANA President

Daly City - Colma Lions Club

D. C. Man Enters Race For Vacant Seat In Congress

Defeated in 1948 for Congress from the San Francisco 5th District, Charles R. Garry, 40, 482 Wellington avenue, today announced he would try for the seat in the House left empty by the recent death of Richard J. Welch (R.).

The Daly City resident ran against Welch on the democratic ticket last fall. This time he hopes to come out on top in the special state November 8 election.

At the present time Garry says he has his friends getting the necessary 1600 signatures which will place him on the November 8 ballot.

Garry expressed confidence that he would have no difficulty in getting the signatures before the deadline September 29. He reported he already has one-half the necessary names.

Previous to moving to Daly City two years ago, Garry had been a resident of San Francisco since 1929. He had lived in the fifth district for the past 10 years.

Operating a law office in San Francisco, Garry is well acquainted with the problems of government. He is also a veteran of World War II, having served in Italy as an enlisted man.

Community Chest Information Given W. W. PTA

Better able to understand the workings of the Community Chest today are those members of the Woodrow Wilson PTA who attended Tuesday's meeting.

At that time they were given a detailed outline of the benefits derived from the Community Chest by Pearl H. Valgmore, representative of the San Mateo county chest drive.

Daly City citizens will be asked, beginning October 1, to give \$2,500 to the county chest.

The value of the chest to the public health program was explained by Miss Avis Frink, county health nurse. Miss Frink also spoke on consulting in infant and child care, adult health, and the purpose and accomplishments of the Well Baby Conference.

Meanwhile, six members of the PTA attended the 17th district CCPT meeting Thursday, September 22, at Burlingame. Those receiving adequate information to carry on their particular duties to aid in the progress of their unit were Mesdames W. M. Cheatham, president, Henry Adams, vice-president, Earl White, recording secretary, James Surber, membership, Al North, magazine, S. A. Larson, publicity.

Fifty Dogs Bark It Up Sunday At Marchbanks

About fifty dogs of every breed and questionable family background were present at the big dog show Sunday at Marchbanks park.

Put on by the Daly City Be Kind to Animal Club, the show was held to mark National Dog Week, September 18-25. Mrs. Alice VanOver, in cooperation with the recreation committee, helped to make the show a great success.

Judges for the day were Mayor Paul Green, Police Chief W. W. Sunderland, and the best authority of the group, Peter D. Bordson, poundmaster. (It is rumored that several of the dogs were considerably upset by the presence of Bordson, whom they had seen once before in an official capacity.)

Prize winners for the day included dogs owned by Dorothy Cushman, 913 Hanover; Diane Cold-thirst, 93 Muirwood; Robert Val-detti, 257 South Park; Robert Niskey, no address given; and Billy Hunter, Guadalupe avenue. All of these winners were given prizes for having the best trained dogs.

Largest dog of the show was "King," owned by Sherill Taylor, 458 Citrus. Smallest dog, oddly enough, was named "Tiny" and tagged behind Eleanor Shulda, 82 Market street.

Youngest owner and dog were Diana Pucini, 110 School street, and "Brownie," respectively.

Trick dogs took prizes for owners Ronald Kinkson, 145 E. Vista, and Dennis Kusber, 60 Werner. In the special events division, prizes went to Patricia Martin, 638 Niantic, and to Jimmy Lencourt, 130 San Diego.

Consolation prizes were awarded to: Judy Mitchell, 459 Niantic; Floyd Thomas, 30 Brunswick; Dolores Del Campo, 44 Station, and Natalie O'Neil, 1615 Sweetwood drive.

During the Roman wars with Hannibal, Roman women were forbidden to own more than one ounce of gold.

Three times as many men as women commit suicide, according to the Britannica Book of the Year.

United States wells have annually yielded nearly two-thirds of all the world's petroleum for almost a century.

The best "catgut" comes from the intestines of lean, ill-fed sheep, horses or mules.

County Red Cross Plans Possible Disaster "School"

An over-all plan for disaster preparedness and relief was discussed at a recent meeting of the San Mateo Red Cross disaster relief group.

Special guests were Cecil Davis and Clyde Baird, assistant disaster directors in San Francisco, and Lt. Col. Henry H. Collins of the National Guard.

Davis did an outstanding job in handling the recent Missouri tornado disaster. In his remarks at the meeting he stressed the fact that the disaster setup of the Cape Girardeau chapter made it possible for all units to function within 20 minutes after the tornado struck.

Pitcairn and other members of the San Mateo county chapter have evolved a working plan which they believe to be adequate in case any disaster should strike this or a nearby community.

It was decided to hold a "disaster institute" in the near future with those government and Red Cross officials attending who would be called on in case of catastrophe.

Bears-Gaels Mix Saturday

Though Coach "Pappy" Waldorf has said that the Bears are at their "lowest personnel level in the backfield" in his three years at California, the Bears will play St. Mary's Gaels this Saturday.

Kickoff is scheduled at Memorial Stadium for 2:30 p.m. and a crowd of 65,000 is expected.

After the Bears' surprising showing against Santa Clara last Saturday, it looked like the football "weather" in Berkeley was changing to sunny. But it didn't last long. Further injuries clouded the horizon once again.

Frank Brunk, used as both left and right halfback Saturday, came out of the game with a banged-up leg and will miss the Gael contest. Out for five weeks is third-string right half Joe Hibbs. These two join backs Jack Swann and Eric Schultz, half Billy Main and end Norm Pressley.

A disaster problem will be presented and worked out by those present.

Senior Colma Club Stopped By Regal Pale

Singing the blues on the diamond today are the nine of the Colma Senior Boys Club who dropped their second consecutive game last Sunday.

The Colma team was defeated 4 to 6 by Regal Pale at Palo Alto. The week before they lost to the Am Vets by 2 to 0. These losses follow almost 10 consecutively won games.

Neither of the teams showed well on the field, as many errors and bad fielding were evident.

"It was just one of those days," Joseph Sarto, team backer, noted.

Some of the best work for the Colma team was done by Don Mossi, who returned last week after a session with the Bakersfield Indians. Playing first base, Mossi managed to drive two singles, a double and a triple.

This Sunday Mossi will take to his favorite place on the pitcher's mound, when the Colma team takes on the Smiling Jack club at 2:30 p.m. on the Marchbanks Park field.

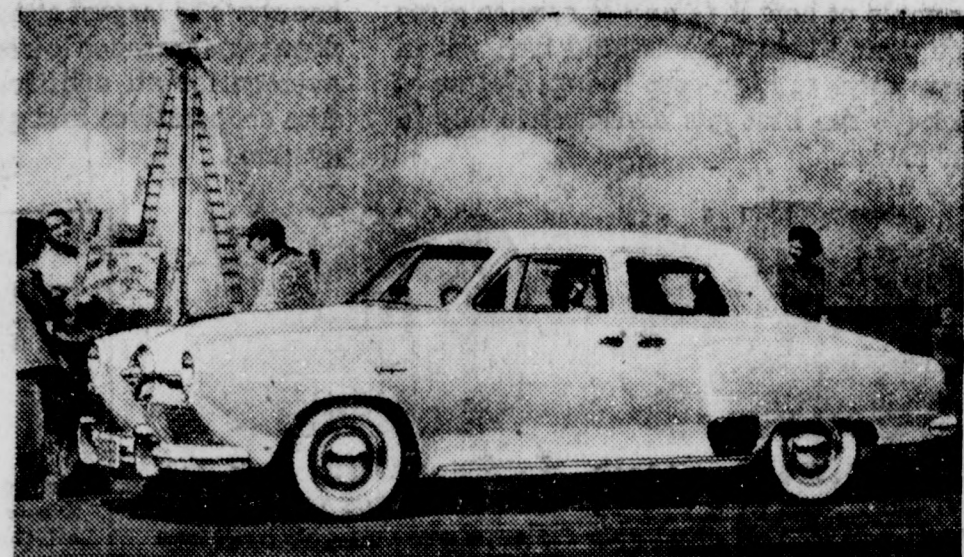

Thrifty 1950 Studebaker The "next look" in cars!

IT LOOKS expensive, it's so distinctive. But the truth is the new 1950 Studebaker is one of America's really low-price cars.

It's a Studebaker of increased wheelbase length and over-all length—but it's trim and sleek and free from bulging bulk and excess poundage.

It gets amazing mileage from every gallon of gasoline.

Stop in now and see this thrifty 1950 Studebaker. It's the "next look" in cars.

STUDEBAKER'S REALLY ROLLING! STUDEBAKER LEADS AGAIN WITH THE "NEXT LOOK" IN CARS

Jeff High Indians

From Milton
TROMBORG'S TEEPEE

Before their opening league game with Lincoln October 14, the Jefferson varsity will play a practice tilt under the lights at Mountain View.

The game will be played September 30, beginning at 8:30 p.m. The following week the Blue and Gold will take on Menlo, whom they dumped last year.

These two games are the only practice games for the varsity eleven before they enter the Peninsula Athletic League in three weeks. Jefferson will be a strong threat in the PAL because of their spirit and will to win, plus the return of Don Lunghi. Lunghi topped the league last year at the left half slot.

Now let's venture into the other teams in the PAL and see how they were for the gridiron season.

Burlingame, the champ of the 1948 season, has been hard hit by June graduation, and does not have many first-string players returning this year. But the team will be in there fighting for their berth in the PAL.

Coach Glenn South believes the team to beat in '49 will be San Jose. They have the best chance to win the crown, because of the return of most of their last year's first string, plus many big reserves.

Sequoia is always a top team in the PAL and is rated about second in '49.

Palo Alto will be right up in the top three and will give a fight to any school they meet.

The rest of the teams, Lincoln, Jefferson, San Mateo and South San Francisco, are rated about even. But don't let this fool you. All these teams have the spirit and the will to win. Many things can happen on the gridiron.

Jefferson has only three returning first-string players from last year's eleven. These include: Don Lunghi, left half; Leo Bricker, center; and Frank Druhan, left tackle.

Second-string players include: Don Greene, end; John Sweet, tackle; Jess Martinez, guard; George Ritter, fullback; Jim Giamini, guard; and Vince Baggetta, quarterback. All of these lads have seen action last year on the varsity and will help give South what he needs.

The rest of the team is made up of last year's frosh and a few new players from other schools.

Because of lack of experience, the ends are the only weakness in the line. The tackles, guards and centers seem to look O.K. at this time. The backfield will be very fast and should go places with the ball handling of Vince Baggetta and George Ritter hitting the line and Don Lunghi hitting the ends.

All that can be said is, "Look

Out for Jeff in '49!"

MEET THE TEAM

Don Lunghi, you all remember, from last year's eleven for his brilliant running in the left half slot, will tear through the defense by running ends and through the tackles. Don is the main punch in the backfield and, with a good forward wall in front of him, he should repeat himself in '49.

Playing right half, Max Klien and Bob Gallagher will help give the team the extra punch with George Ritter, Jim Hatchel, Ted Graham, Ed Perrens and Roy Childress backing them up.

Since the ends are weak, Leo Lemon, Art Lauffenburger, Don Greene and Leroy Gonzales are working hard to overcome this before the opening game.

Frank Druhan, who played first string left tackle on last year's eleven, and John Sweet, who played second-string right tackle last year, should hold down the tackle positions.

After playing second string last year, Jess Martinez and Jim Giamini should pull down the guard positions.

At center we find Leo Bricker and Frank Maffei, who are fighting for first string.

This is the tentative lineup worked out of spring practice and two weeks of fall practice. The starting lineup will be given next week.

Boys out for football in '49 are:

Ends — Lemon, Lauffenburger, Brown, Marcy, Greene, Gonzales, Wilson; tackles — Druhan, Hill, Baher, Sweet, Harrison, McCool; guards — Martinez, Piccolotti, Roland, Giamini, Smarthwaite, Hamann; centers — Bricker, Maffei, Lagomarsino; half backs — Lunghi, Hatchel, Graham, Klien, Gallagher, Tienken; quarterbacks — Baggetta, Childress; full back — Ritter, Perrens.

FROSH-SOPH BALL

Under the able coaching of Joe McGrath, the 1949 league opener is scheduled for October 13 with Lincoln traveling up to Jefferson.

Practice has just gotten underway, so there is little news about the team. But we will have more to tell you about the players in the next edition.

We do know the team has changed from the "T" formation to the single wing. The frosh-soph will have a few practice games before they meet Lincoln at Jefferson.

Schedule for these games is as follows:

Oct. 13, 3 p.m., Lincoln at Jefferson.

Oct. 20, 3 p.m., Jefferson at Sequoia.

Oct. 27, 3 p.m., Jefferson at San Jose.

Nov. 3, 3 p.m., San Mateo at Jefferson.

Nov. 10, 3 p.m., Jefferson at Burlingame.

Nov. 17, 3 p.m., Palo Alto at Jefferson.

Nov. 23, 3 p.m., South San Francisco at Jefferson.

BASKETBALL 10's AND 20's

The Peninsula Athletic League opens the 1949 season October 6 for the 10's and 20's with San Mateo meeting Jefferson on our home court, with game time set for 3:15 p.m.

Twenty-three boys showed up for practice last week, and Coach Orlich, who is coach of both teams, predicts his teams have an ample chance to win the crown if the boys get out and play good ball.

Boys who signed up for 10's are as follows: Hutchinson, Wilson, Hartje, Caloiaro, Trantham, Schmidt, Palm, Garcia, Gorni, Coffmann, Ballinger, Rose, Stevenson, Gorman, Moquin, Evans, Baraza, Hickman, Francis, Butch-

er, Selva and Record.

Only 15 players can stay on each team, so Coach Orlich will have some tough picking to do before the opening game with San Mateo October 6. The names for the 20's team have not been listed yet, so as soon as they are they will appear on this page.

DEATH NOTICE

BERNARDI—In Daly City, Sep. 13, 1949, John Bernardi, dearly beloved husband of Minnie Bernardi, devoted father of the late Ernest Bernardi, Amiel Bernardi, Mrs. Janet Marsh, and Philip S. Bernardi, beloved brother of Mrs. Mary Cavallero of Sacramento, Domenico Bernardi of France, Emiglio Bernardi, Anna Bernardi Ghisla, Caterina Carretta of Italy, devoted grandfather of Thais June, Diane Lee, John A. and Philip Bernardi Jr., Fred Marsh Jr. and Jackie Lynne, devoted great-grandfather of Ernest Michael Bernardi of Reno, Nev., devoted uncle of Dominic Cavallero and Mrs. Lily Ferrari. A member of the Loyal Elvizia Lodge.

Services held Friday, September 16th, at 9 a. m., from the mortuary of W. C. Lasswell & Co., 6154 Mission St. cor. Wilson. Thence to Our Lady of Perpetual Help Church, Daly City, where a Requiem Mass was celebrated for the repose of his soul commencing at 9:30 a. m. Interment, Holy Cross Cemetery. The Rosary was recited Thursday, September 15th at 8 p. m.

NEWS FROM THE SCHOOLS

CROCKER

Crocker student body activities began taking form on the first day of the fall term.

Virginia Chan, H8, temporary student chairman, called an outdoor school assembly to welcome new students, introduce the teachers, and explain to the student body safety rules on bus transportation and pedestrian safety precautions.

These rules proposed and adopted by the Crocker student body are consistent with the rules set up by the district. They were formulated by the eighth grade students previous to their actually knowing what district policy had been established. This training and opportunity for students to formulate and adopt rules and regulations consistent and synonymous to community standards is basically the foundation program and ultimate goal of schools today, in training for social living.

The L8-H8 grade this term are planning on the combined health-science unit of "Mental Health." Paralleling the recommendations of educators today to foster a family and community consciousness, these young citizens have started their area of experience with the person everyone is most interested in "himself" or "herself."

Self-understanding always precedes understanding others! Thus, with this goal in mind, to foster the same spirit of tolerance, consideration, mutual understanding toward others, which we expect from our peers, this particular unit of work should prove very advantageous and worthwhile to prospective graduates.

The Low 7 of Room 3 has been speaking, writing, and practicing safety. Safety on the bus, in school and playground have been discussed. Water safety and swimming safety have been gone over. The unit on safety will be continued until the 23rd of September when some of the class will meet for a swim at Jefferson High School.

As the Crocker students filed into their halls and classrooms for the school year, a decidedly homelike and "lived-in" atmosphere was felt. Many saw a display of their own or fellow classmates work, others enjoyed the interesting charts, posters, graphs, and pictures on display in the hall and on the classroom bulletin boards. Yes, a very "lived-in" look — because a week before school some fine Crocker citizens together with their principal helped to make the school attractive.

Prospective graduates Carol Bates, Virginia Chan, Bruce Selmi, and David Ward gave one entire afternoon to make Crocker extend a cheery welcome to its student body for the fall term opening.

On September 8, pre-school registration day, Carol Bates, Virginia Chan, George Spoulos, Herb Stew-

er, Selva and Record.

Only 15 players can stay on each team, so Coach Orlich will have some tough picking to do before the opening game with San Mateo October 6. The names for the 20's team have not been listed yet, so as soon as they are they will appear on this page.

art, and Gill Newcomb not only assisted in the registration, but further contributed to the organization of the building by distributing supplies, equipment, giving out books, etc. Gill Newcomb proved most efficient and unselfish, spending the entire day at the school helping each and every teacher.

Teachers and student body alike wish to extend a word of thanks for the fine unselfish spirit shown by these students for having given some of their "fun time" to help make Crocker more attractive. This fine spirit of earnestness and cooperation displayed by these students is most commendable and indicative of the attitude shown by the Crocker student body.

Some students in Room 2 went traveling this summer. Caroline Cameron went to Palm Springs. Angello Casserino and Maureen Dreyfus visited Los Angeles. Armand Faber took a trip to Lake Tahoe. Robert Lucas and Robert Brugioni visited in Washington. Robert Gieseker spent the summer in New York.

Thirty-seven pupils were registered in the Low 8 on September 12. Two of these pupils entered from San Francisco.

Seven children who were to have been in this group have transferred to San Francisco and other places.

The beginning social science unit is the geography of North America.

A "must" for all eighth graders is the study of the constitution of the United States as no one may graduate who has not passed a test in this subject.

The Low 7 grade of Room 5 has 46 students. All but two of the pupils attended Crocker School last year and most of them seem glad to return.

These children have begun a general review in both arithmetic and spelling. In social studies they are studying general geographic concepts before beginning work on a regular unit.

CDA Group Helps Mrs. Grummel Mark Anniversary

Helping Mrs. Ida Grummel to celebrate her 50th anniversary last Thursday were members of the Court of St. Mary's No. 1155, C.D.A.

Highlight of the program for Mrs. Grummel was a mock wedding put on by the ladies. The "wedding" was to remind Mrs. Grummel of a similar occasion some 50 years ago.

Acting the part of "bride" was Eleanor McDougall, while Katie Core and Gladys Waldon were the "groom" and "priest," respectively. Following the "wedding," Valletta Ennis and Nancy White sang "I Love You Truly."

Then came refreshments and a cake made by the ladies. Mrs. Grummel was presented later with a spiritual bouquet.

Evelyn Weckerle was in charge of the program for Mrs. Grummel. The "wedding" followed the regular business meeting of the group, which was called to order by Worthy Grand Regent Elizabeth Wettstein.

Full activities were planned, with stress put on the Monster Whist party to be held November 4 at 8:30 p.m. in Masonic Temple, 17 Hillcrest.

Three chairmen were appointed to plan for the party. They are Elsie Thomsen, Ann Drury and Christine Michelsen. Valletta Ennis will be the hospitality chairman.

Evelyn Massoni, Walter Hughes Exchange Vows

Dressed in an ice-pink satin, princess-style gown, Evelyn Massoni walked up the aisle of Holy Angels church at 4:30 p.m. last Saturday to exchange vows with Walter F. Hughes.

French lace set off the full-hooped skirt and bodice of the long-sleeved gown. A finger-tip veil, trimmed with matching pink French lace, floated down from a crown of pearls.

In her hand the bride bore a horse shoe shaped bouquet of orchids and stephanotis.

Aqua satin, full-skirted gowns also in the princess-style, motif, were worn by the bridesmaids and maid of honor. They wore aqua picture hats and carried pale pink orchids.

The maid of honor, Lorraine Massoni, sister of the bride, carried orchids, but of a deeper pink than those carried by the bridesmaids: Gloria and Mary Massoni and Valerie Malatesta.

Another sister of the bride, Judy Ann Massoni, and a niece of the groom, Judy Collesen, were the flower girls. They were dressed in aqua, picture hats and carried orchids.

The groom's mother, Mrs. E. Hughes of Menlo Park, was dressed in green with gray accessories and wore an orchid corsage.

The bride's mother, Mrs. C. Massoni, wore forest green with brown accessories and also wore an orchid.

Best man for the ceremonies was Geno Massoni, brother of the bride. Roy Adreveno, Bernard L. Decker and Robert Timossi were ushers.

Following the wedding a reception was held at Colombo hall. Some 400 guests gathered in the pink and aqua flowered hall to help the newlyweds eat a five-tiered cake.

It's a secret where the couple are honeymooning, but it's no secret that when they return they will make their residence at 307 Fairfield drive, San Carlos.

The bride is a graduate of Jefferson Union high school and is employed as a secretary by the Southern Pacific railroad.

The groom is also a graduate of Jefferson Union high school and Montana State University. He is employed as a Teletype technician by the Pacific Telegraph and Telephone Co.

PTA Begins Radio Program Series

Walter Jack, superintendent of elementary schools for San Mateo, will be heard on KSMO next Tuesday at 11:15 a.m. as part of a special series of programs presented by 17th District, California Congress of Parents and Teachers (CCPT).

He will discuss the significance of PTA from the educator's point of view.

The remaining 14 broadcasts will be concerned with a transcribed series prepared by Dr. Luther Woodard of the National Committee for Mental Hygiene. Titled "The Inquiring Parent," the series provides helpful guidance to parents in problems relating to children of all ages. Informal study groups are being arranged to discuss and evaluate the interview programs.

The series, a joint radio and parent education project of PTA, is being presented in the Bay area by 17th District (San Mateo county) under the supervision of Mrs. Harry Day, radio chairman, and Mrs. G. J. Sirex, district vice-president.

SOCIETY

Pulling into Daly City for his first stop in this world last Thursday evening was 6-pound-12½-ounce Michael Victor, new son of Mr. and Mrs. Myron Heggum, 142 Thiers street. The baby boy came into the world at 8 p.m. at Mary's Help hospital. His maternal grandparents are Mr. and Mrs. V. R. Day, 401 Willis street.

Now visiting in Calistoga is Mrs. Peter Dormoy, 40 Mission circle. The Daly City woman was driven there for a vacation by Archie Banfield, whom she claims is learning to milk cows. Mrs. Dormoy is staying with Mr. and Mrs. Schaepl, formerly of 60 Mission circle.

Mrs. Eugene Verhagen (Rita Lozano), her husband and two children, Linda Jean and Ronnie, are now visiting Mrs. Verhagen's mother, Mrs. Freida Lozano, 280 Miriam street. Also coming west with the Verhagens was Mrs. C. Veragen, mother of Mr. Verhagen. They arrived here September 12 from Kauhauna, Wisconsin. They will be here for two weeks, and at the present time are enjoying many dinner engagements.

Sgt. Ricco Benadetti, and wife, now have a new baby son by name of Thomas. The 9-pound-6-ounce boy came into the world September 14 at Mary's Help hospital. He arrived home at 98 Vale street on September 19. Sgt. Benadetti now has three children, two of whom are boys. The Daly City police officer hasn't decided as yet whether to bring up the lads as policemen.

Judge John J. Fahey Jr. is the new member on the University of San Francisco building fund committee. Judge Fahey was appointed to the post early this week. He will assist in a campaign to raise a total of \$2,000,000 for new buildings and to set up endowment for scholarships, research professorship, student loans and faculty retirement benefits.

Orange and black paint now beautify the fence at Harrison Plumbing and Heating Co., 6236 Mission street. The new paint job serves the double task of making the fence neat and clean and also advertising the plumbing company. The black letters on the orange background serve as an attractive advertisement for Harrison.

Pvt. Robert J. Lazzarini will return to his wife and 7121A Mission home sometime during the latter part of October, it was learned today. Pvt. Lazzarini has been in the army one year, and was sent to Okinawa in March of this year. His wife does not know whether or not her husband will remain in the service.

The Romans used to applaud by snapping their fingers.

STRICTLY FRESH

A CHANNEL ISLANDS farmer was barred from local pubs for drunken driving after witnesses testified he plowed a very uneven furrow with his tractor. Maybe he planned to raise cane.

This is the time of year when boasting fishermen give you that old line.

Menfolk say that girls' bathing

suit styles suit them to a tease.

Live in the present so it won't become a past that will cloud your future.

Some men who squawk at the expense of taking the family out for a Sunday dinner end up eating dollar-a-piece radishes from their own gardens.

T. Picchi To Wed S.F. Girl Sunday

Wedding bells will ring this Sunday for Miss Lorraine Peterson and Tulio Picchi at 3:30 o'clock at the Church of the Visitation, near Bayshore City.

Father O'Malley will join the couple in wedlock. Tulio is the son of Mr. and Mrs. Gino Picchi, 643 San Diego avenue. He attended Jefferson high school and is now a truck driver.

The bride is the daughter of Mr. and Mrs. Albert Peterson, 279 Raymond, San Francisco. She attended Balboa high and is employed by a San Francisco warehouse firm.

St. Bruno Parochial School Planning Bazaar For October 6-8

St. Bruno's Parochial school is planning a bazaar for the evenings of October 6 to 8 in the auditorium of the school in San Bruno.

The school is located at Crystal Springs and Oak avenue.

The committee in charge is planning entertainment for children, teenagers and adults alike. The public is invited, and there will be ample parking space available.

FOE Auxiliary Welcomes Nine New Members

Final preparations were being made today for the Ladies Auxiliary No. 1848, FOE, bazaar September 23 and 24.

The bazaar will open at noon in the Eagles Hall, 3346 San Jose avenue, and close at midnight on both Friday and Saturday. There will be many useful articles on sale, and refreshments for all.

Plans for the bazaar were made at the last meeting of the auxiliary September 13. Also at the meeting, nine new members were welcomed into the group.

The nine members include Eleanor Hatt, Mary Roberts, Edna Williams, Alice Christian, Senia Gomez, Isabel Ostello, Elsie Pinger, Elaine Wright and Mary Baker.

Decorations for the evening were carried out in the Admission Day motif with the California Bear as the outstanding feature. Colors on the tables were in blue and gold. Refreshments were served by the social chairman, Marge Lynch, and her assistants.

The visiting chairman reported Louise Sima still in the San Mateo hospital.

Canada has about 37,000 square miles of peat deposits.

Paper is thought to have been invented in China about 105 A.D.

Almost a third of the nation's aliens live in New York State.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Good

Summer's on the wane and how most of us anxiously look forward to cool Fall days! Meantime, there is always the exciting talk about Autumn fashions to pacify us. Biggest news to date seems to be advance Paris styles which feature straight and shorter skirts.

Grapes are on the plentiful food list for September. Serve as a fruit for breakfast or make a big luncheon or supper salad bowl beginning with crisp greens, then grapefruit and orange sections mixed with apple and banana slices. Top with small bunches of grapes. Serve with side bowl of dressing made of two parts French dressing blended with one part real mayonnaise.

Add to pet poison ivy cures this one recommended by the Dept. of Agriculture. Bathe affected areas with hot water as hot as the skin can stand. Many who have tried this remedy have had relief for several hours.

Sufficient stuffing for chicken is easy if you remember this easy rule. Allow 3 cups of fresh bread crumbs for a 4-pound fowl, 4 cups for a 5-pound bird.

When sheer curtains become faded and color-wear near summer's end, take out old color with white color remover and redye with all purpose dye. Pastels are fresh and pretty and a nice change if you've had white or cream ones up.

Pretty cake decoration is colored coconut. Just fill glass jar about half full of shredded coconut, add a few drops of food coloring. Cover jar and shake. Sprinkle on cake frosting.

Colma PTA Plans Many Activities For Weeks Ahead

First regular meeting of the Colma PTA will be held October 1, 1:30 p.m., in the Colma Community Center, Dunks street.

The program of "Get Acquainted Day and Teacher's Tea" will be opened with a welcome by Mrs. Hilda Dennis, president.

James L. Snell, superintendent of the Jefferson Elementary school district, will speak to the parents and answer any questions they may wish to ask.

Nancy Hopper, 5th grader from Jefferson, will play some electric guitar solos.

Mrs. Helene Mori, hospitality chairman, will serve refreshments after the meeting.

Plans for the October Colma PTA activities were made at a meeting of the executive board September 14.

The meeting was held at the home of Mrs. Belva Tempkin, with Mrs. Hilda Dennis, president, conducting the meeting.

Officers and chairmen present included Mesdames Julie Bertetta, Irene Chessman, Marjorie Hopper, Margaret P. Brown, Dorothy Stookey, Jeanne Brugge, Helene Mori, Letta Dennis, Clara Leonetti, Marilyn Ledrick.

The Sewing and Sunshine group of the Colma PTA will meet at the home of Mrs. Letta Dennis, Railroad and 89th street, Colma, Tuesday, September 27, at 1:30 p.m.

All parents of children attending Thornton, Jefferson, Jefferson Annex and Broadmoor community center schools are invited to come and get acquainted.

Please call Mrs. Dennis at DEla-ware 3-0890, if you wish to attend.

Street Signs To Go Up In D. C. Within Month

Street signs will soon mark every intersection in town, Mayor Paul Green said today.

The signs were received this week, and will be assembled next week. They will be placed on newly driven iron poles which have gone up in Daly City over the past few months.

Those in Colma who see neither sign nor pole should not worry. Poles were not put in because workers were unable to break cement on the corners.

Now, however, the city has acquired a \$2,500 compressor and drill which will enable workmen to make shore work of the corner cement. When the compressor is brought into action, the Colma area will have both the poles and signs, Mayor Green said.

MATCHING CARDIGANS—These two sweaters for youngsters are the sturdy outdoor type. The sleeves are made a little full to allow room for additional clothing as fall days get crispier and to keep active elbows from poking through. Matched sets can be made for brothers and sisters. It's one way to make sure the kids are warm enough to skip back to school on raw days.

The "Record" Supports The PTA, Let Us Back Your Group

This paper is published for the express purpose of serving you, and your community, by bringing the news of Daly City organizations to your attention. We thank the Crocker PTA for the following letter:

"In behalf of Crocker PTA and myself I wish to thank you sincerely for publishing our articles in your paper. I have talked to some of the presidents and members about the wonderful write-up which you gave us and we all feel quite confident that our goal we are striving for will be attained."

Signed:
Mrs. Erwin Schmidt,
President

Bethel No. 26, IOJD, Holds Semi-Annual Pot-luck Dinner Friday

Bethel No. 26, International Order of Job's Daughters, will hold its semi-annual pot-luck dinner September 23.

The pot-luck dinner will be held Friday evening at the Mission Masonic Temple, 2668 Mission street.

A regular meeting, with Honored Queen Elaine Plasberg presiding, will follow the dinner.

New Arrivals In Daly City and Vicinity

To the wife of Calvin E. Gray, 530 Winchester street, September 9, a son.

To the wife of Michael Costantine, 408 Winchester, September 4, a daughter.

To the wife of Albert J. Belair, 200 North Parkway avenue, September 13, a son.

To the wife of William F. Wood, 832 87th street, Colma, September 12, a son.

To the wife of Francis J. Denning, 151 Wellington avenue, September 13, a son.

To the wife of Harold P. Holmbeck, 1679 Sweetwood drive, Colma, September 10, a daughter.

Church Women's Council Meets September 29

Meeting next Thursday, September 29, will be the Women's Council of the Grace Presbyterian Church.

An executive meeting at 11 o'clock at the church, Hanover and Evergreen, will be held preceding the regular luncheon at 12:30. Circle No. 5, Mrs. Stanford Hannah, chairman, will be hostess for the guest day luncheon.

Miss Lorna Logan, from the Presbyterian Chinese Center in San Francisco, will be the guest speaker for the program.

Anyone interested is welcome to attend.

Meanwhile, the young people of the church held an election of officers following their devotional meeting last Sunday morning. Jack Patton was elected president; Mary Ada Sea, vice president; Marilyn Colby, secretary, and DeWayne Soares, treasurer.

The group listened to records from the series, "All Aboard for Adventure" during the social hour. Phyllis Blackburn and Mary Sea were in charge of refreshments.

Happy Birthdays!

During the next week, seven people in Daly City and Colma will be eating ice cream. But it won't be to escape the current heat.

No, these seven will be marking that day of days, their birthday. To them, and to all who like cake with their ice cream, especially a cake from Harry's, Harry wishes well for the days and years ahead.

Birthdays next week will be observed by:

September 23 — Douglas Woford, 755 Washington street; Wayne Gordon, 112 Mateo; Harold Gordon, 112 Mateo.

September 24 — Susie Del Rosso, Rockaway Beach; J. Lamedola, 382 Willis.

September 25 — Mrs. J. Dell, 36 Market street.

September 26 — Mrs. J. Parodi, 17 E. Cavour.

Enter FORD's \$100,000 Car-Safety Contest Today

SEE ANY FORD DEALER FOR A FREE SAFETY CHECK AND ENTRY BLANK.

You can win one of these 700 Prizes

25 New Fords
"The Fashion Car of the Year"

Ignorance Delays Lakins Case

Apparently unfamiliar with court procedure, Robert Lakins, 31, Colma, failed to enter a plea when accused of beating his 6-year-old son, in court last Thursday.

Judge John J. Fahey continued the case until this afternoon, September 22.

Lakins appeared in court without an attorney, kept repeating "My wife will say I didn't do it," and generally failed to understand procedure.

His wife refused to sign a complaint, after Lakins allegedly beat his son Dennis with a rose bush stalk. But juvenile officer Anthony Lavo entered the complaint.

Funeral Services Held Tuesday For Miss Macdonald

Funeral services were held at the W. C. Lasswell chapel Tuesday for Miss Jean H. Macdonald, 60, 227 Los Olivos avenue.

The Daly City resident for the past nine years died at her home Sunday. She was a native of England.

Surviving Miss Macdonald is a sister, Miss Evelyn Macdonald of Daly City, another sister, Mrs. Agnes S. Nelson, and a brother, John D. Macdonald, both of Oakland.

Following the funeral services, interment was at Cypress Lawn cemetery.

DALY CITY-COLMA

The ladies, bless 'em, will be honored guests at next week's Lions Club luncheon.

Ladies Day will have special significance this year, as it was much of the work by the women in the pie and cake department that insured the success of last week's bazaar.

All Lions are asked to bring their wives, and possibly their secretaries, to the big luncheon day next Wednesday.

Feature of the meeting this week was a Standard Oil film on Polynesia. Dick Gordon, a representative of the firm, showed the movie "The Treasure Isle."

For those who didn't attend the showing, they may see many of the same pictures in the January 1949 edition of National Geographic.

Christmas street lighting was discussed, and all members were urged to be present in city hall at 8 o'clock Friday night, September 23, when the Daly City Merchants Association discusses the holiday decorations.

DC Furniture Stores Feature Home Fashions

Visit your furniture store this week, as throughout the nation September 22 through October 1 will be observed as "Home Fashion Time."

This event is sponsored by manufacturers and retailers with a view of bringing to the consuming public all of the latest styles and trends in home furnishings.

California retailers have assembled the best of their buying at the various summer markets throughout the nation and will present the results of their efforts for examination by consumers.

An invitation to the public to visit any of the local furniture stores in Daly City during this period was extended today by Jack Hickey, president of the Retail Furniture Association of California.

Weak Muscles Foil Lucca Market Burglary

Attempting to break into Lucca Market, 7370 Mission, early last Friday morning, burglars got nothing but sore muscles for their efforts.

Police reported unidentified thugs attempted to jimmy open two doors behind the market. Both attempts failed.

A one-inch flat bar was used in an unsuccessful effort to pry open the rear basement door and the upstairs rear door.

Failing in their attempts, the thugs beat a hasty retreat out of the north gate from where police believe they entered the premises.

Still a question is whether a roving police car, or weak muscles, drove the burglars away from the market.

Requiem Mass Held At OLPH For Shanahan

Requiem high mass was held Monday at OLPH church for Miss Margaret Shanahan, 81, 618B San Diego avenue, who died at the Villa Sanitarium September 16.

The elderly lady was retired and one time was employed by a fiber board company. She was living with her sister, and only survivor, Miss Nellie Shanahan, a month before she went to the sanitarium.

Preceding the mass, rosary was recited for Miss Shanahan at 8 p.m. Sunday, and funeral services were held at the W. C. Lasswell chapel Monday.

Interment followed at Holy Cross cemetery.

Two DC Children Injured At Home

Two Daly City youngsters were the victims of minor separate accidents Monday.

Louis Sartori, 8, 228 Los Olivos, sustained abrasions about her face and nose when she slipped and fell on the sidewalk near home about 1 p.m.

Dwight Carboni, 10, 280 Los Banos avenue, had his left hand in a sling today after a window at his house at 7:30 p.m. pinned his hand between the sash and frame. The window cut and bruised his fingers.

Both children were taken to Junipero Serra hospital for treatment in a police car. After their respective wounds were treated, the boy and girl were sent home.

Schools May Change, But Never "Sins" Of Boy Students

Schools may have changed considerably during the past 50 years, but little has altered the young school boys.

Daly City police this week received a complaint from a citizen living near one of the newly-opened grammar schools. The complaint centered around some school boys who were employing his garage for more than study.

Police contacted the man, and then went to the school principal. The principal said she would try to correct the ways of the lads.

If she is able to do so, there are thousands of parents anxious to get her formula.

What had the boys done? Little, except trying to test their manliness via a stale pack of cigarettes.

Sprouse-Reitz Offers 45-rpm RCA Player At \$12.95

Almost cutting the price of their 45-rpm record player in half, RCA-Victor this week announced the new price of the player at \$12.95.

The players are now on sale at the reduced price at the Sprouse-Reitz store, 6400 Mission.

Formerly the compact little instruments sold for \$24.95. These are the kind that can be plugged into any radio and make the radio a record player.

The players take small, unbreakable records, which can be fitted into a coat pocket. It has been estimated that 8 pounds of the new records give the same playing time as 60 pounds of the old type.

Sprouse-Reitz will be glad to demonstrate the new player to anyone interested in dropping into the store at 6400 Mission.

San Francisco Man Charged With Drunk Driving On Mission

Facing a charge of driving while intoxicated today is Jerry Micheletti, 18 Mt. Vernon avenue, San Francisco.

Micheletti was allegedly driving down Mission street at a high rate of speed at 2:50 a.m. Monday. Police arrested him and charged him with drunk driving.

The San Francisco man was released on \$150 bail. Time of his arraignment has not yet been set.

SPORT FISHING GOOD

Sport fishing has been good during the past few days in the waters off Santa Catalina Island, reports the National Automobile Club. Anglers have landed many tuna and a fair number of yellowtail and barracuda.

10 a.m.—Sunday school, First United Pentecostal church, 400 Crescent avenue.

New Buick Special

LONG AND SLEEK in appearance yet three inches shorter over-all the new Buick Special features a striking front end radically different from anything in the industry, many engineering improvements and is offered with Dynaflo Drive available as optional equipment. Shown above is the two door six-passenger sedan. Note the new vent-ports, increased use of glass in both the windshield and rear window and the parking lamps placed in the bomb-shaped bumper guards forward of the bumper.

- 10:45 a.m.—Divine worship, Bethel Lutheran church, 2525 Alemany boulevard.
10:45 a.m.—Children's worship hour, Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.
10:45 a.m.—Morning worship, Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.

- 4 p.m.—Meeting, Intermediate Troop No. 17, Parish hall, Holy Angels church, San Pedro road, Colma.
7 p.m.—Monthly whist party follows meeting at 8:30 p.m., Hillcrest Circle No. 143, UAOD, Masonic temple, 17 Hillcrest drive.
7:30 p.m.—Meeting, Boy Scout Troop No. 106, Legion hall, 474 San Diego avenue.

- 8 p.m.—Meeting, El Carmelo Parlor No. 256, NSGW, Masonic temple, 17 Hillcrest drive.
8 p.m.—Meeting, Italian-American Citizens' Club, Colombo hall, San Pedro road, Colma.

Thursday, September 29

- 2 p.m.—Regular meeting, Girl Scout Troop No. 14, No. 4 firehouse, Peoria street.
3 p.m.—Regular meeting, Brownie Troop No. 15, 32 San Pedro avenue.
3:30 p.m.—Meeting, Intermediate Troop No. 12, 101 Parkview avenue.
8 p.m.—Choir practice, Broadmoor Community Presbyterian church, 87th street off Junipero Serra boulevard.

Openings In Naval Sub Reserve

Training, with pay open, is now offered young men between 17 and 28 in the U.S. Navy reserve submarine service. By joining the reserve, the enlistee may become an experienced submariner and participate in all types of undersea operation. This included a two-week cruise with pay aboard a submarine. Submarine divisions for this area are located at the naval shipyard, Hunters Point, with transportation from the post office, San Mateo. Complete information for enlisting in this program may be obtained by visiting or phoning the navy recruiting station, post office building, San Mateo, Diamond 4-2781.

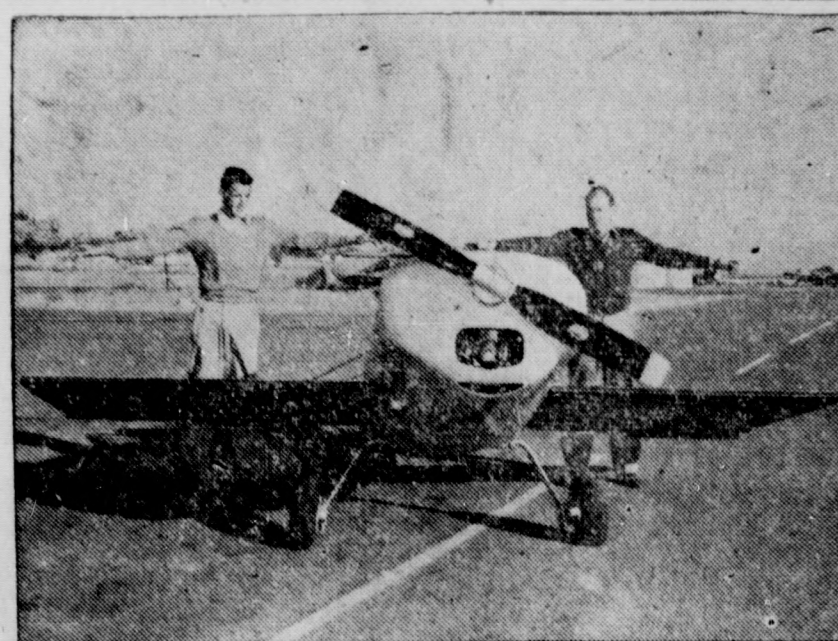

Coastal Service Some Time In '51

Recent approval given by the Maritime Commission to H. F. Alexander's plan for construction of two vessels for coastwise commerce were hailed by shippers and travelers alike. The two multiple-use, 18,000-ton vessels will ply between San Francisco and Los Angeles and make available to industry a startlingly new and unique form of transportation. The design of the ships is Alexander's own. The vessels will be 563 feet long with entry through the ship's sides. Geared to a speed of 25 knots, the ships will make the overnight run between San Francisco and Los Angeles, hauling 186 fully-loaded 30-foot truck trailers, carrying 348 passengers and 46 passenger automobiles. Operation is expected to begin some time in 1951, officials said.

MIDGET RACER—Paul Holmes, left, and Merle Larson, right, can almost hold hands and reach the wing tips of the tiny plane they designed and built at Concord, Calif., to fly in the Cleveland Air Races. The wingspread is only 13 feet, and the craft is powered by an 85-horsepower engine. While making a taxi test, Larson yielded to impulse and took off, putting the plane through its paces.

Garbage Dump Opens In Colma

Now that a pay dump has been opened in Colma there won't be any excuse for dumping garbage in unlawful places in Daly City.

Until the "Skyline Pay Dump" opened there was no legal place near Daly City to get rid of refuse. The new dump was opened this week a half block west on Skyline boulevard, near San Pedro road. It is under the supervision of Philip Gentile.

A small fee, the sum of which has not yet been announced, will be charged for dumping. The dump will be open seven days a week from 8 a.m. until 6 p.m.

This announcement follows by two weeks action by Daly City to prevent illegal dumping in and around the Crocker estate. Following a Labor Day burning of garbage in the Crocker area, two men have been stationed near the "critical" points to prevent dumping. It is a misdemeanor to dump refuse other than in a legal dump grounds.

SPEEDOMETER ACCURACY

Motorists are ever ready to challenge the accuracy of the speedometer on the police car or motorcycle, but their attitude is thoroughly discredited in official circles. One of the best reasons for the disinterest shown in the argument by arresting officers is that they know not one motorist in ten thousand ever has his speedometer checked regularly. The official speed measuring devices are checked regularly.

SALMON RUN

A good run of salmon has been on during the past few days just off the Marin county and Sonoma county coasts, reports the National Automobile Club. Most fish are of a good size and the catches have been large.

\$55,847,000 Savings

Bonds Held By S.M.

County Residents

Some are spending, but quite a few San Mateo county residents seem to be saving, as attested by a report which shows citizens of this area now hold \$55,847,000 in savings bonds.

The bonds are drawing an annual interest of \$1,537,000. During the treasury department's opportunity drive, which ran from April 1 to July 16, a total of \$1,373,322 worth of bonds were purchased in this county. This was 25 per cent over the quota.

TIME TO REBORE

When the crankcase begins to emit smoke on hills through the breather tube or the oil filler pipe, it is a sign that the engine gases are leaking past the rings into the crankcase. Motorists are some times told that this is due to running on too thin oil and are misled accordingly.

DON'T GAMBLE ON THE CURVES

Don't gamble on the curves, advises the National Automobile Club. It is far better to enter a curve at a slow rate of speed, and accelerate while rounding it than to enter at a fast rate of speed and then have to brake to avoid disaster.

DALY CITY FOR FIRST TIME TO HAVE STREET XMAS DECORATIONS

Daly City Merchants Association, City Pledge Close To \$5,000 For Lighting Up Mission From County Line To Market

Christmas decorations, about \$5,000 worth, from the county line up Mission to Market street, will greet Santa Claus for the first time in Daly City this year.

Plans for the street decorating were discussed at the regular meeting of the Daly City Merchants Association Monday evening.

Mayor Paul Green said the city would put up \$2,500 for lights. Frank Lombardi, association president, indicated an equal sum would be subscribed by Daly City merchants.

It is planned that the city will pay for all the lighting, while the merchants will bear the cost of pole decorations.

The exact type of Christmas decorations has not yet been decided. However, Lombardi asserted they would be in the best tradition of old St. Nick.

Purpose of the decorations is to beautify the city during the holiday season, and to encourage shoppers to buy at home.

A further discussion of the proposed lighting and decorations will be held at a special meeting of the Association Friday night, September 23, 8 o'clock at city hall. All members are asked to attend.

In addition to making plans for Christmas decorations, the association also gave its whole-hearted endorsement to both Propositions, No. 1 and No. 2. They asked the voters to ballot "Yes," at the September 27 election.

The possibility of establishing a Daly City post office was also discussed. Mayor Green said the San Francisco post office department still was investigating this possibility, and a complete report would be made in the near future.

SSF Gents Sport Beards For Three Week Celebration

Shades of pre-razor days... gentlemen in South San Francisco are sporting beards.

It isn't a protest against shaving, but merely part of the combined centennial and Columbus Day celebration underway for three weeks.

High spot of the celebration will be the week of October 9 to 16, with a huge parade on Sunday afternoon, October 16.

Western garb and whiskers will be the dress of the three weeks. No one seems quite sure how Columbus fits in with this kind of clothing, but it's certain his name is playing a large part in the proceedings.

Prizes totaling \$1700 will be shared by some of these very men and women dressed like their great grandparents. Other awards will go to parade units, bands, and everything else that makes up a day of celebration.

SF Soon May Get Elevated Traffic

San Francisco may get a new traffic-way from Mission and Duboce to Bryant and 11th streets, under a program submitted to the Board of Supervisors this week by Thomas A. Brooks, chief administrative officer.

Following 13th street, the traffic-way would be constructed by the State Department of Public Works as a part of State Highway No. 2, which includes the Bayshore Freeway, at an estimated cost of between \$4,000,000 and \$6,000,000. The city's obligation would be purchase of the necessary right of

way, part of which has already been accomplished for the widening of 13th street.

The elevated highway would cross Howard, South Van Ness, Folsom, Harrison, and Bryant streets, with connecting ramps at each. If approved by the city it would in effect be the first step toward adoption of the elaborate freeway program proposed for the city in the \$200,000 traffic and transit report prepared by Charles DeLeuw.

Plans for the 13th street surface traffic artery will proceed in any event, Brooks said. The overpass, if adopted, would supplement the surface route.

Bledsoe New OHE Rent Director

New rent director for the San Francisco Bay defense-rental area is William A. Bledsoe, it was announced this week.

Bledsoe succeeds Henry A. Cross, who has served as the local rent control director since September, 1943.

The 43-year-old executive will direct the rent control and veterans preference programs in San Francisco and portions of Marin, San Mateo and Sonoma counties.

During the past year, Bledsoe has been a regional field representative for the San Francisco regional OHE office.

An omnibus service operated on a 30-minute headway between Clay and Kearny streets and Mission Dolores in San Francisco in 1852.

Talc mining throughout the United States is largely by underground operations, though several of the soapstone sources in California's Sierran foothill belt are open cuts.

RESPECTS TO A HERO

Two U. S. Navy men spend part of their time ashore in Caracas, Venezuela, to view one of the many statues in that city reared to national heroes and to pay their respects to the memory of the military leader represented in bronze above them.

Legion Of Honor Has 18th Century French Art Show

Observing their 25th anniversary, the California Palace of the Legion of Honor will feature outstanding exhibits this month.

Last week the exhibition of masterpieces of 18th century French art, lent by museums of France, opened. Also featured will be a showing of historical paintings by Charles Hoffbauer.

An exhibition of 37 "American Rooms in Miniature" went on display earlier last week. The exhibit is arranged so the visitor sees first a living room and kitchen dating from about 1674. Last is a modern San Francisco apartment complete with a night view of Treasure Island and the San Francisco-Oakland Bay bridge.

Other special exhibitions will show throughout the month. Documentaries of other cultures will be shown in the motion picture series at the Museum at 2:30 p.m. each Sunday. Organ programs are presented each Saturday and Sunday at 3 p.m.

The Palace of the Legion of Honor is open from 10 a.m. to 5 p.m. daily. It is reached via No. 1 and 2 buses on Sutter street and the B Geary streetcar.

The original Tulare county, created in 1852, extended from the ridge dividing the Gings and San Joaquin Rivers to the Tehachapi Mountains.

Donations Of Clothing Wanted To Aid Ecuador Earthquake Victims

Last day to donate used clothing for the victims of the Ecuador earthquake is September 28.

The drive to gather the clothing is being sponsored by the Ladies Auxiliary No. 1848, F.O.E. They urge everyone with spare clothing to give it to the needy neighbors to the south.

Donations may be brought into the Colonial Gift Shop, 6272 Mission street.

Broadmoor Church To Give Movies For Polio Fight

Total receipts from two movies to be presented this Saturday at the Community Presbyterian Church will go to the polio drive. The Rev. John A. Glasse said today. The movies will be shown at the church, 87th West of Junipero Serra in Broadmoor Village.

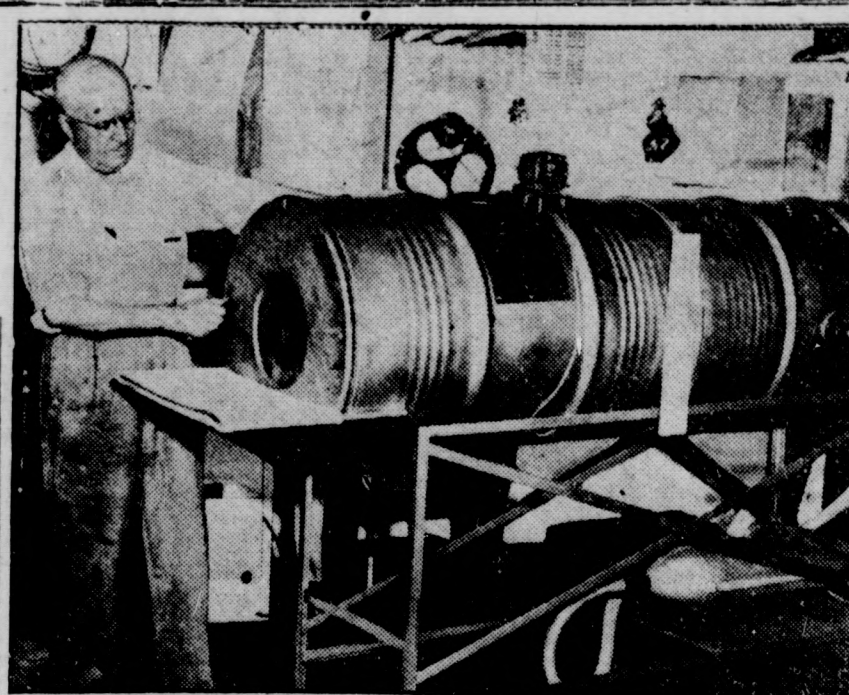

In addition to the regular children's show presented every Saturday from 10 to 12, there will be a special show this Saturday from 2 to 4 primarily for adults.

However, anyone may attend both or either of the movies which will include cartoons, color travelogues and a serial.

The church invites the public to attend and to give generously when the "silver offering" is taken. All money will be used in the fight against polio.

IRISH OPEN UP—Preparatory to tearing up other football players, Emil Sitko, Notre Dame half-back, tears up a paper sign announcing the South Bend, Ind., university's first practice session of 1949. The determined-looking gentleman who holds the ball for Sitko is veteran coach Frank Leahy. Co-captains Jim Martin, left, and Leon Hart hold the sign up. The other squad members look like they're able to take care of themselves.

BUILDS EMERGENCY IRON LUNGS—A polio epidemic which struck 29 persons in Muncie, Ind., killing 12, left an eight-year-old boy dying of the disease for lack of a respirator. Jack Reichart, above, who manufactures tea kettles and coffee makers, responded to the emergency by converting his production lines to iron lungs like the one pictured above. Reichart and his men produced the first lung, made of two steel drums and a vacuum cleaner, in a matter of 10 hours. The device was rushed to the hospital and the boy's life was saved.

Full Classes Begin At San Mateo Junior College

Students registered at San Mateo Junior College last Monday and Tuesday for the fall semester and classes started Wednesday.

This week registration for the college adult center will be carried on with the adult center sections holding their first meetings Monday, September 19. Again the indications are that the evening school (which also has a number of sections meeting in the daytime) will have a heavy enrollment, reaching at least the 5,000 mark.

While the college offices have been getting the day and evening schools organized, the students have also been busy getting organized under their new student body leaders. They have already planned a freshman reception dance for this Friday evening in the Baldwin campus gym.

On September 23 all women students attended the tea being given by the Associated Women Students at the commander's house on the Coyote Point campus.

Meanwhile, the coaches have started grid practice on the Coyote Point field. The squad scrimmaged with San Francisco State's varsity September 24 for practice purposes and will open the season against the California frosh eleven at Berkeley October 1.

How To Figure GI Insurance Dividends

National life insurance dividend checks from \$28 to a few dollars will begin to roll out of Washington, D. C., in January, 1950.

About 16,000,000 veterans who paid NSLI premiums for at least three months will split a \$2,800,000,000 dividend.

Method of figuring your dividend is as follows: Take the number of months your policy was in force between the date you signed up until you dropped it, or until the same date in 1948.

Next, take the amount of insurance you have (or had) in thousands of dollars. If your insurance age was 40 or less when you took out the insurance you will get 55 cents per month per thousand.

Multiply the number of months, by the number of thousands, by 55 cents. Example: A man with 40 months of \$10,000 insurance would multiply 40 times 10 and multiply the result by 55.

The same procedure is carried out by men over 40, only the 55 is changed as follows: age 41, 52 cents; 42, 49 cents; 43, 46 cents; 44, 43 cents; 45, 40 cents; 46, 37 cents, and so on, taking off three cents for each year over 40. Those 55 or over will receive 20 cents per thousand.

Survivors of deceased veterans will be notified by VA if they rate a dividend.

Only veterans who apply will get a dividend. So far almost 10,000,000 have done so. Veterans who have not yet obtained application forms, and who held NSLI insurance for at least three months, can obtain the cards from the Daly City post office.

The Stellar sea lion which frequents Seal Rocks at the beach in San Francisco may grow to thirteen feet in length and weigh more than a ton.

STRANGE GEOLOGIC AREA

More than one hundred and fifty volcanic cones, most of them with perfect craters up to three hundred feet in depth, are to be found around the slopes of dormant Newberry Crater near Bend in Central Oregon, reports the National Automobile Club.

With one of the greatest concentrations of volcanic cones in the world, this strange geologic section is easily accessible from U.S. Highway 97.

year will include a new car, Wedgewood stove, and a \$50 U.S. savings bond.

Theme of the carnival and the type of booths will be announced next week.

Proposition 2 Discussed Friday

Proposition No. 2, the initiative on the November 8 special election, will be explained Friday, September 23, at 1:30 p.m., Masonic Hall, 17 Hillcrest.

Passage of the proposition would repeal California's liberal old-age and blind pension law.

George H. McLain, pension leader and chairman of the Citizens' Committee for Old Age Pensions, sponsor of the present pension law, stressed that passage of Proposition 2 would "endanger payment of the \$75 and \$85 monthly pensions to the needy aged and blind."

"The greatest danger lies in the fact that Proposition 2 would again make pensions a political football by once more placing the security

One Man Injured, Two Cars Damaged In Friday Wreck

One man sustained slight injuries, and two cars were badly wrecked in an automobile accident early last Friday morning in Daly City.

Richard Perada, 37, 3763 24th street, San Francisco, suffered lacerations over his right eye in the accident. The part-time carpenter and bartender was treated for his cuts at Jampiro Serra hospital and released.

According to police Perada was driving north on Mission near Westgate when he collided with the rear end of a parked car belonging to George Olmo, 6103 Mission. Olmo was not in the car.

The force of the collision spun Olmo's vehicle sideways up over the curb at 6183 Mission into a telephone pole and then up against the front stairs of a home at 6161 Mission.

The rear end, both sides, and the front end of Olmo's car sustained heavy damage. Perada's auto will need considerable repairs done on the right front.

In a signed statement to officers Perada said: "I remember driving up north on Mission street... but I can't remember anything a little way up from School street. I must have fallen asleep. The next thing I knew was after the accident."

Pending further investigation of the accident, neither of the car owners were cited by officers.

National Guard Has Positions For Officers

Ex-army officers may find several openings offered in the local unit of the California National Guard.

Capt. Harry M. Nicolson, commanding Battery B 149th AAA AW Bn (SP), announced position vacancies for several 1st and 2nd lieutenants, AUS, regardless of former branch assignments.

Inactive officers of higher rank who might be interested in position vacancies within the battalion may contact Battery B Monday through Friday by phoning JU 8-5056, or by coming to Battery headquarters at the San Bruno Navy Base.

The time requirements are two hours each week on drill nights and two weeks summer encampment each year. A full day's pay plus longevity is received for each attendance at drill plus points to be applied for retirement benefits. Enlisted men enjoy the same benefits as officers and are eligible for attendance with pay at the regular army service schools.

Sub Training Now Offered Navy Reserve Men

Fast becoming one of the best equipped submarine training centers in the United States is the navy submarine reserve training center at Hunters Point.

At present the center is only exceeded by the submarine base, New London, Connecticut, in training equipment.

Some of the training equipment available is as follows:

(1) Communications and electronics, including all phases of operating, servicing and maintenance.

(2) The Alaskanian, which is a complete dry land device incorporating all controls necessary for submerging and surfacing a submarine.

(3) A torpedo room with actual torpedo tubes and control.

(4) Engineering room complete with diesel engines.

(5) A fleet type submarine, the U.S.S. Dentada, for practical training aboard a submarine.

Training with competent instructors, using this fine equipment and with pay is available to young men who enlist in the Naval Submarine Reserve, which meets one night a week at Hunters Point.

For further information call DI 4-2781 or visit the Navy Recruiting Station, Post Office Bldg., San Mateo.

TROUT ANGLERS HAVE LUCK

Trout anglers have enjoyed good luck during the past week on Scotts Flat Reservoir and McMurray Lake and along the Middle Fork of the Yuba River in Nevada county. Fishing in this area generally seems to be improving.

FOR SALE — 5-piece hardwood breakfast set, needs paint, \$10; Westinghouse elec. roaster, \$25. JU 4-7660.

ROOM TO RENT — sunny front room for one or two persons, 424 Irvington St. DE. 3-0695.

CCPT District Meet Thursday

What makes PTA tick was the general theme of an all-day session of 17th district, California Congress of Parents and Teachers, Thursday, September 22.

This was the first district meeting of the school year. It was held at the First Methodist Church, El Camino at Howard, Burlingame.

The principal speaker of the morning meeting was Mrs. Daniel J. Dailey, state vice president, who discussed policies and procedures.

The business meeting was under the chairmanship of Mrs. J. M. Foley, 17th district president.

The afternoon meeting consisted of a series of conference groups on topics of direct interest to committee chairmen of individual PTA units.

OLD-TIMER LEARNS NEW TRICKS—Marty Hess, left, of the Nevada Uranium School, first of its kind in the world, shows old-timer William "Dragline" Miller, 73, how to use a Geiger counter in identifying uranium ore. Prospector Miller was one of the hundreds of mining men who learned the latest prospecting techniques at the Nevada Fair of Industry at Ely, Nev.

Prefab House Dream Is Failure, Architect Says

"One of the greatest disappointments of the postwar years has been the almost complete failure of the highly touted, widely dreamed of prefabricated house, which was to have been made in vast quantities at moderate costs," says Frederick Monhoff, Los Angeles architect and lecturer in house planning for University Extension, University of California.

"During the war, the greatest postwar dream was the prefabricated house — a dream that the past few years has seen almost entirely unrealized. Some 9 per cent of the firms which started at the close of the war have run into deficits, and costs have been com-

parable to the custom built houses," says Monhoff.

"Thus, attention has been refocused on the custom-built house and the individually designed house, particularly one which is designed to be enlarged to meet the needs of a growing family.

"This is a renewed challenge to the architect who, happily, is in a position to incorporate the multitude of new materials and devices that have been coming on the market during the past six months. In this he has the advantage over the 'prefab' manufacturer in that, as the builder of but one unit, he need not worry about mass supplies," says Monhoff.

Information concerning his University of California home-designing courses both at U. C. L. A. and in metropolitan Los Angeles is available on request to University Extension, University of California, Los Angeles 24.
